My name is Felicia Danielle Turnage. I'm 34 years old and currently incarcerated at Leath Correctional Institution. I'm asking to be placed into a rehab to help me. I suffer from drug addiction. I have been an addict since I was 16 years old. Over the years the drugs changed to different kinds.

I got to the point where I was self medicating myself. I also suffer from PTSD, major stress disorder as well. I'm asking for help which I got denied for when I got sentenced.

I'm currently in the sober living unit here at Leath Correctional Institution. This program isn't much help due to the fact we hardly do anything. I have the "want" to do @ better. I have a plan I just can't do anything but sit here.

I have a job waiting for me and three wonderful children who need me as well as I need them. I already have a place to live as well. I have a goal set!

I understand I violated probation, I'm asking to please turn my probation around and allow me to go check into rehab to get the help I really need that I'm not receiving here! I am willing to wear an ankle monitor and do any and everything that is asked of me!

Thank you for your time.

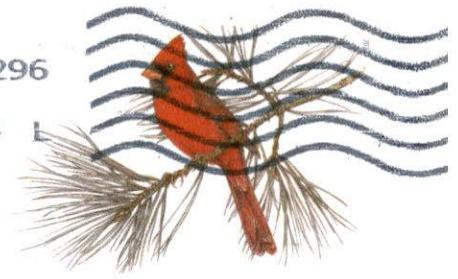

Sincerely
Felicia D.
