

The South Carolina Court of Appeals

The State, Respondent,

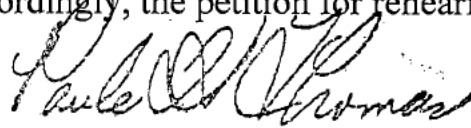

v.

Camilo Quiroz, Appellant.

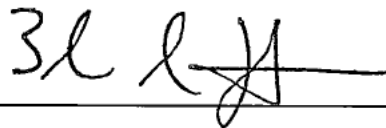

Appellate Case No. 2024-001484

ORDER

After careful consideration of Appellant's November 1, 2024 filing, which we construe as a petition for rehearing, the court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
