RE: Olga Teslenko v. Joe Kocsis
Appellate Case No. 2024-001734

Dear Ms. Kitchings:

Attached for filing is the Appellant's reply to your letter today of a perceived deficiency in Appellant's motion for transportation. In brief, and because Appellant doesn't know the proper way to remedy such a situation, please note that the perceived deficiency, - the proof of service on Respondent, - was filed originally on 11.12.2024 within the motion for transportation, and is currently filed in your case management system in the entry captioned "Motion - (Appellants Motion to Release & Transfer Original Exhibits)" within the Motion document, on page 4, which was moved towards the end of the document when it was filed. Please let me know if this is not the correct interpretation of your letter today. Was Appellant supposed to serve Respondent additionally with the first deficiency correction? Could you please clarify.

Dated: November 25, 2024

Sincerely,

s/ Olga Teslenko
