Motion For Clarification to Stay Auction
The State of South Carolina
In the Court of Appeals
(In the Supreme Court)

Case # 2024-001825

Motion For Clarification of 11/4/24 Order and to Reconsider Denying Motion to Stay Auction in 11/4/24 Order and to Stay 12/2/24 Auction until all information is received.

I respectfully request the 12/2/24 10AM Auction of my home be stopped. This is warranted as I've ordered the 8/21/24 transcript of the Conway Hearing, but have not yet received it. This will show I was trying to get on before the case was finished, and thus had technical difficulties, and so I should not have lost by default.

Also, please clarify your 11/4 Order. It states in part, "the lower court... or appellate court... should consider whether such an order is necessary..." Yet, the Conway court refuses to do so while I'm still in this court, and so I'm stuck in the middle. Also, no application has been made.

I'm still waiting for a new hearing date for case #2021-cp-2605635. Opposing counsel adjourned it 8/26/24. It took about 3 months to get that previous date scheduled, and it's been longer than that now, so the new date should be forthcoming.

I certify that all is true.

Thank you.
