My suggestion would be for y'all to file an amended motion that says Appellant's time to file a reply shall be tolled until February 6th. I appreciate you agreeing to an extension but I have 0 experience with the CoA and don't want to assume they'll freely grant some future consent motion so that's why I wanted the extensions to be granted as a package. Doing this live, so if y'all have a better idea I'm open to it. Thanks,

Daniel

I must've read your email incorrectly. However, I will still grant a consent to additional time. I may even get the response earlier than January 6. Essentially, I will agree to whatever timeframe you need.
