Re: State v. James Brown Appellate Case No. 2024-000425

Dear Ms. Kitchings:

On November 20, 2024, appellant filed a motion for abeyance due to a missing transcript in the above referenced case. We have now received the missing transcript from the January 8, 2024 hearing. At this time, all transcripts required for this appeal have been transcribed and received.

Pending the Court's approval and lifting of the abeyance hold, and taking into account our previous extensions, we have reset our time limits in which to file the initial brief of appellant and designation of matter to be included in the record for thirty days, with a new filing deadline of January 3, 2025. If the Court deems a different date as appropriate, please let me know.

Respectfully,
