Motion to Stay
Case No.: 2024CP2607556
Cloisters Investments LLC v. Kimberly A Alford

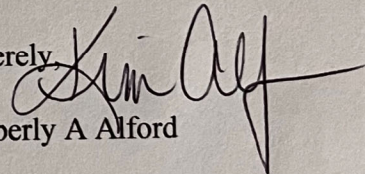

I request a Motion of Stay in this case due to issues between the managing office of Cloisters at Carolina Forest and myself. I was told my past due balance would be accepted at the Rule to Show Cause hearing on 12/5/2024. I had a cashiers check for the full amount due plus current month rent. The property manager refused to accept my payment. I stated what I was told but the property manager still refused and denied our conversation. The Judge ordered for the Plaintiff and I was given a Writ of Ejectment.

I called the managing office Pegasus, for Cloisters at Carolina Forest, after the hearing and was told that my account shows I was allowed to pay the outstanding balance and reinstate my lease.

I ask the court to please stay my Writ of Ejectment until a hearing can be scheduled to have this matter clarified.

Sincerely,

Kimberly A Alford
