SC Court of Appeals

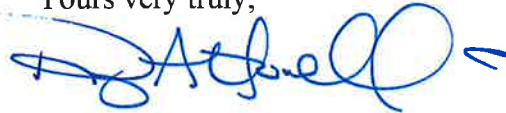

Re: Serge Wandji v. The Regional Medical Center
W.C.C. File No.: 2118696
Appellate Case No. 2024-001935
Carrier File No.: WC2021098080
Date of Accident: August 27, 2021

Dear Ms. Kitchings:

It appears that the Appellant filed an Amended Notice of Appeal with the Court on November 26, 2024; however, the Respondents have not received service with a copy of the Amended Notice or with any of the documents that may have been attached thereto. Reviewing C-Track, it appears that a one-page Motion Order dated November 1, 2024, as well as partial portion (two pages) of a Workers' Compensation Commission Appellate Panel Order dated March 8, 2024, were attached to the Amended Notice of Appeal. It is unclear whether the attachment to the Amended Notice was truly only three pages, or whether C-Track has only partial scan of the documents filed.

Therefore, I am writing to ask (1) if the Appellant filed any additional documents with the Court of Appeals on November 26, 2024; (2) if the Appellant filed a Notice of Appeal from the March 8, 2024, Order, and (3) that the Appellant be required to serve the Respondents with any additional documents filed with the Court of Appeals in the future. As always, we appreciate your assistance with these matters.

Yours very truly,

Roy A. Howell, III
