Mayshell Wilson  
VS  
Willie M. Reed.

On Friday Dec 6, I took my Rental Payment to the Clarion County Court house for I got to work I got a money order from the USFD for the \$700. I walked out over to the court (Magistrate Court) time was 4:20pm. I went to the Clerks office but she had left early, I then took it to the Clerk in the office. She call Judge Maaty, and that when I was informed that I was a day late, which during the court with Judge Costera I was told that payment was on the 1st and that I had to be in by the lot which in 5 days before the close of business. I was informed by Judge Maaty that she had called the court & appeal and they told her to go ahead with the what I asked her when did they change what was said in court. And she called Judge Costera and was told to do what the court & appeal told her to do and that I was late, I have my receipts and want notified by the court & appeal. and I have been doing what has been instructed to me.
