**LETTER TO THE HONORABLE APPELLATE COURT CLERK
CORRECTING 2nd DEFICIENCY IN APPELLANT'S MOTION FOR
TRANSPORTATION**

December 06, 2024

Dear Ms. Kitchings:

In response to your notice of the 2nd deficiency in my motion for transportation, sent on November 25th, 2024, I printed out the required pages and put them in a stamped addressed envelope to serve on Respondent. On November 27th I filed the corresponding Proof of Service certificate with your office. Yesterday night I accidentally discovered that envelope in my vehicle. This is an extraordinary lapse of organization on my part, but it did happen and I therefore must submit to your discretion in this issue. I have deposited that envelope in the U.S. mail today, December 6th, 2024. Today is the eleventh day from the issuance of your notice, but the tenth day if the holiday of Thanksgiving is to be considered. Please let me know if this 2nd correction is still timely, and if this Letter is the correct way to file it. I respectfully request that my previously filed Proof of Service certificate be discarded as erroneous, and replaced by this corrected Proof of Service certificate below, which is the correction of the 2nd deficiency in my motion for transportation (motion for the release and transfer of the original exhibits):

I certify that I have served the list of exhibits for my motion for transportation on the respondent Joe Kocsis, who represented himself as the owner of Carpet King & Flooring, by depositing a copy of it in the United States Mail, postage prepaid, on **December 6th, 2024**, addressed to his store address, Joe Kocsis, Carpet King & Flooring, 532 Broadway Street, Myrtle Beach, SC 29577.
