NOTICE IS HEREBY GIVEN that the Appellant, Terry Lennette Grant, Pro Se, moves for a thirty-day extension of time to serve an Amended Record On Appeal and Final Brief pursuant to Rule 210(a), SCAR, Pursuant to the Order issued by the Court of Appeals, the Record on Appeal was scheduled to be served on November 20, 2024 and the Final Brief was due December 10, 2024. However, Appellant filed a Record on Appeal and Final Brief on November 20, 2024.

On November 18, 2024 the Appellant submitted a Motion to Extend Deadline for serving Record on Appeal. This was done by a consent motion to see if counsel would consider agreeing to the extension. Since the Respondent did not consent, Appellant filed and served Record on Appeal, and her Final Brief was filed and served early. The basis for this request is that the undersigned has been diligently trying to follow the rules and may have missed a few housekeeping items. As a Pro Se Litigant it has been challenging, and I beg this Court to grant this extension, so I can ensure that the Record on Appeal and Final Brief meets the content requirements pursuant to Rules 208, 209, 267 and all other Rules that governs my filing. This is the first request for an extension, since the other request was withdrawn.

Respectfully Submitted,

December 10, 2024

s/Terry Lennette Grant
