Dear Clerk,

I hope this email finds you well. I am writing to seek clarification on the following matters concerning my ongoing appeal:

1. On October 25, 2024, the court issued an order granting my **Motion to Amend the Notice of Appeal** to incorporate the final order issued by the Circuit Court on April 2, 2024. The court also directed me to submit a **Second Amended Notice of Appeal** within 10 days of the order, which I fulfilled on November 1, 2024.

Before this order, I had already filed an **Initial Appeal Brief** in this matter; however, it was based on the **Form 4 order** issued by the Circuit Court. Given the developments, I would like to confirm whether I am required to file an **Amended Initial Appeal Brief** to include all facts and updates concerning the final order or if I should refile my **Initial Appeal Brief** with the necessary additions.

2. I would also like clarification regarding the deadline for filing an **Amended Initial Appeal Brief** or a **new Initial Appeal Brief**. Specifically, does the timeline for this filing begin from the date of the court's order on **October 25, 2024**, or from the date of compliance with the order, when the Second Amended Notice of Appeal was submitted on **November 1, 2024**?

Your guidance on these matters will help ensure that I comply fully with the court's instructions and all relevant deadlines.

Thank you for your assistance, and I look forward to your response.
