Dear Madam Clerk,

Thank you very much, I received the video DVD of the oral argument for the case referenced above. This is the first time that I requested a copy of an oral argument from the Supreme Court so I do appreciate that it was a video and not an audio CD. I was able to view it with no problem.

I do have a question about C-Track filings, as there have not been any new items posted since oral argument was held on November 14, 2024. Please refer to the attached documents. I would like to download/print my file-stamped request letter and envelope, and also the letter from your office about the DVD. Could you please let me know at your earliest convenience when I will be able to do this or if the Supreme Court uses a different process from the Court of Appeals?

Thank you again for your assistance.
