IN THE COURT OF APPEALS
Appeal from Spartanburg County

SC Court of Appeals

STATE OF SOUTH CAROLINA,

v.

Richard Lewis Geter,

Appellate Case No. 2023-000255
Motion To Recall The Remittitur

Now comes, the Appellant, who request this Honorable court to recall the remittitur. Appellant's request is based on the facts that:

1. Appellant submitted a petition for a rehearing on time.
2. Appellate counsel attempted to address the court's denial of a directed verdict of Acquittal, but yet failed to exercise her duties as counsel in this matter by filing a motion to be relieved, pursuant to Anders v. California, however when this motion was granted by the court, relieving the Appellant of counsel, which denied the Appellant the opportunity to have this issue addressed, regarding the trial court's denial of the Direct Verdict of Acquittal. For the above mentioned reasons this S.C. court of Appeals should grant the Appellant's motion to recall the remittitur, and consider the Appellant's motion to recall the remittitur, and consider the Appellant's motion for a rehearing dated November 28, 2024 and the Appellant's petition for a Rehearing filed November 4, 2024, timely filed.

Respectfully Submitted,
Richard L. Geter
