

# The Supreme Court of South Carolina

Darrell Williams, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2024-001582

---

## ORDER

---

Petitioner filed a notice of appeal from the denial of his fourth application for post-conviction relief (PCR). Petitioner was asked to provide the explanation required by Rule 243(c), SCACR, and, in light of the number of PCR applications Petitioner has filed, he was also asked to provide any reason this Court should not impose restrictions on his filing of collateral actions challenging his 1995 conviction and sentence for first-degree burglary (Indictment No. 95-GS-34-0463).

Petitioner has failed to show that there is an arguable basis for asserting the dismissal of his fourth PCR application was improper. Therefore, we dismiss the notice of appeal pursuant to Rule 243(c), SCACR. The remittitur will be sent as provided by Rule 221(b), SCACR.

In addition, because Petitioner has not provided any reason why this Court should not impose restrictions on his future filings, we hereby prohibit Petitioner from filing any further collateral actions in the circuit court, including PCR actions and habeas corpus actions, as well as any motions relating to the previously filed collateral actions challenging his 1995 conviction and sentence for first-degree burglary, or any motions in the underlying criminal case, including motions pursuant to Rule 29, SCRCrimP, without first obtaining permission to do so from this Court.
