Good afternoon,

This email follows the voice mail message I left with the Court today.

Our office represents the Respondent in the above matter. On 11-19-2024, the court issued an Order granting Appellant's Motion to Amend the Designation of Matter. In this Order it was noted that the Respondent must file and serve their final brief within 20 days of the Order. According to our calculations, the deadline as indicated in the Order runs today.

Respondent filed their Final Brief on November 18, 2024, and upon review, the brief does not require any changes as a result of the Amended Designation of Matter.

Unless otherwise directed, Respondent will be relying upon their Final Brief previously filed with the court on November 18, 2024.

Thank you for your time and attention to this matter.

With kind regards,

Melissa A. Jumpp
