Re: *April Jones v. Tim Ringer*  
Appellate Case No. 2022-000303

Dear Catherine:

Thank you for your conflicts letter in this appeal. I will be arguing this case on behalf of the respondent and have a longstanding conflict during the month of April. Therefore, I respectfully request that oral arguments be set in March, or, if that is not possible, during the May term. My request that arguments be scheduled earlier than the proposed date is based on the South Carolina Supreme Court's August 20, 2024 Order instructing that this matter be scheduled on the next available roster. Thank you so much for your consideration.

Sincerely,

Kaye Hearn
