The Appellant, Rhonda Meisner respectfully submits this reply to Glenn Bowens motion to withdraw as counsel of record. Rhonda Meisner has no objections to Mr. Bowens withdrawal and concedes this should have been completed months ago at the beginning of the Appeal process. Appellant has discussed this matter with Jason Wyman, attorney for the Respondent, SCBT and has further informed me that Terri Stomski is no longer associated with the firm Rogers, Townsend and Thomas, PC and therefore; should not be a part of the record on appeal as the firm is the representative party and not the individual attorney. Meisner respectfully requests the Court to provide direction with regard to the parties to be identified on the front of the record on appeal. Appellant has completed the record and has only identified Mr. Wyman of the firm Rogers Townsend and Thomas, PC and herself as the parties; however, if the Court directs, Appellant will re-do the front of the Record on Appeal to include Ms. Stomski's name. Since this reply also requests direction and a ruling from the Court on the issue of attorney inclusion for the record, the motion fee required by the South Carolina Court of Appeals is submitted along with this reply/motion.

Respectfully Submitted,
