Please be advised that I am writing in regards to my son's appeal, Devin Zachary Ruttie. His attorney is Chris Brumback out of Greenville, SC. We have been wanting to proceed with the next steps but are unaware as to what they are at this juncture and even unaware if there is some sort of time requirements that must be met for an additional filing.

Could you please clock date and stamp this email as record that we wish to proceed further with his case. We will happily comply with any behests you might have as to not miss any window or opportunity for relief.

Sincerely,  
Bunty Desor
