SC Court of Appeals

On Wed Dec 11, 2024, I was granted a Bond Stay. And when I got back to Manning. Mrs. Willie Mae Reed and Mr. Bradshaw was still at the house along with Deputy Justice with the Clarendon County Sheriff office. I showed him my copy of the Bond & Stay. While I waited for them to leave. My son showed me video of them putting things into their vehicle. I asked the office to ask can he search their truck. Mrs Reed said that all they took was trash which was incorrect. After seeing the video the officer asked if she had anything and she finally let him get my 70" TV out of the back of her truck. They left with 3 other Flat Screen TVs that was 32" and a 65" Flat Screen TV, a yellow vacuum cleaner, and some other items. I went to the Sheriff office and filed a report. Then I went to the Magistrate office to give them the rent which they are not taking until they hear from Court of appeal. I was told by Miss Manning, that she don't know how to handle taking payment at this time. I still have the \$700 in money order in hand. And I also ask can they give Mrs. Reed a Courtesy Call because I just want my Belongings Back.
