

The South Carolina Court of Appeals

The State, Respondent,

v.

Robby Willie Tracy, Appellant.

Appellate Case No. 2024-001581

ORDER

On September 19, 2024, Appellant filed a notice of appeal from his September 5, 2024 conviction and sentence for a charge arising out of Jasper County. Appellant served this notice of appeal on September 16, 2024. On November 4, 2024, Appellant filed a second notice of appeal from his September 5, 2024 convictions and sentences for charges arising out of Charleston and Berkeley Counties. Appellant served this notice of appeal on September 16, 2024. On November 18, 2024, Appellant filed a motion to allow late filing of the notice of appeal. No return was filed. After careful consideration, we grant the motion to allow late filing of the notice of appeal. *See* Rule 203(b)(2), SCACR (requiring an appellant to serve his notice of appeal on all respondents within thirty days of sentencing); Rule 203(d)(1)(B), SCACR (requiring an appellant to file a notice of appeal with the clerk of the appellate court within ten days after serving the notice of appeal); Rule 263(b), SCACR ("The time prescribed by these Rules for performing any act except the time for serving the notice of appeal under Rules 203 and 243 may be extended or shortened by the appellate court, or by any judge or justice thereof.").
