Raising a general issue: That the testimony and Evidence was insufficient to sustain a murder conviction and sentence from State's exhibit 26 the bullet defect photograph of the wall, and State's exhibit 36 the recovered bullet defect inside the victim ~~was~~ does not amount to a torso gunshotwound when the entry hole higher than the alleged gunshotwound, when they failed to prove whether I had intentional committed the offense of murder and they failed to prove whether I had intentional assaulted the victim. Amongst other things, PCT Judge failed to find out the trial counsel was ineffective for failure to present evidence during November 27, 2017, trial, and the Judge failure to find out that trial Judge was not ineffective during Jackson v Danna, page 61 in the trial transcript of record

I hereby ask this court to correct the conviction and sentence and vacate the burglary in the first degree cause there's no physical testimony and evidence, no witnesses, failed to prove a prior record of burglary, failed to prove all the elements burglary 1st, the state gave me two upward departure of burglary degrees with no documented evidence was admitted in evidence and the discharging a firearm at or into dwelling or occupied vehicle 16-23-440 (A) Indictment # 2015GS25 10370 was not done at the beginning of trial and re-sentenced me prison for
