

Hello my name is Levy Dunn and I am currently residing at Ridgeland Correctional Institution (RCI) I am enquiring about the "Appeal" that I filed with the Greenville "County Clerks Office" (The Public Defender's Office) should've filed one on my behalf as well. I believe the Number is 202142320-400131 (I believe that's the No.) I was tried and convicted by (11 jurors) 3 of the 12 original jurors were seen and heard talking about my case in a Sandwich Shop. They were seen and heard by 2 people 1 of them is an Attorney and I believe the other 1 works in the Court house Building or she may also be an Attorney. My Attorney argued that this was grounds for a Mistrial! I am from Washington D.C. I do not know the Laws of South Carolina but I think I do believe that it should've been a Mistrial! I haven't been given any paperwork from the (County Clerks Office), (Your Office) nor the (Public Defender's Office). Please I am just asking for a Status Update, Maybe you could inform me on who is my Attorney? (for this Appeal!) I wrote the Public Defender's Office but I haven't gotten any response. Please Help Me
