SC Court of Appeals

Judge James issued an order on Mrs. Hammer's motion for sanctions and Mr. Hammer's motion to reconsider in both cases on June 3, 2013 (recorded June 6, 2013). The clerk of court served the order on all parties.

Judge Strickland held the first hearing on Mrs. Hammer's collection efforts against Mr. Hammer and 1634 Main LP on May 30, 2013 but Mr. Hammer did not appear. Judge Strickland ordered him to appear on June 4, 2013; he did appear on that date and argued several motions regarding the propriety of service and jurisdiction. After several hours of Mr. Hammer responding to questions with unresponsive and meandering answers, Judge Strickland directed

that Mrs. Hammer's counsel continue the examination by written questions. Mr. Hammer has until July 8, 2013 to respond to the written questions. Mrs. Hammer has issued subpoenas to gather documents regarding Mr. Hammer's assets and those of 1634 Main LP.

It is anticipated that Judge Strickland will reconvene the supplemental proceedings in July for final disposition.

Copies of this status report shall be filed in the Richland County clerk of court's file in each of the referenced cases.
