Re: Benjamin J. Hays v. State of South Carolina
Appellate Case No. 2024-000929

Dear Counsel:

Upon reviewing your motion, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your filing will not be considered:

- According to our records, the initial reply brief was due to be served and filed by December 3, 2024, ten days after the initial brief of respondent was served and filed. You must file a motion to allow a late filing in addition to your motion for an extension of time. Additionally, we will not take any action on your extension request to file the record on appeal, as the motion to allow a late filing of the initial reply brief automatically stays the timeline for perfecting the appeal.

Very truly yours,

CLERK
