Notice of incorrect remedy Applied and to Dismiss Double Jeopardy Probate Order (Add to)

Motion  
\*Probate Case

Dear South Carolina Court of Appeals  
SCDC cannot process a fraudulent Sentencing sheet  
this court failed to remedy this case  
correctly I would like a copy of all  
Documents Filed in my case you have  
remitted the case back to a concealed  
Sentence 7/31/24 which is what is was  
prior to Appealing you had Jurisdiction  
From Aug 1st - Oct 29th I shouldn't have  
been sent ~~to prison~~<sup>sw</sup> to prison until AFTER  
district court got Jurisdiction again which  
would've been after Oct 29 instead they  
continued trial outside of Jurisdiction picked me  
up Aug 19 - Sept 26 submitted a fraudulent  
Sentencing sheet to inmate records continued  
trial while I was incompetent trying to commit  
suicide 4 times ~~and~~<sup>sw</sup> in prose and didn't  
sign the Sentencing sheet I haven't been  
legally sentenced that is violation of my  
Due process the Constitution states "No state  
shall violate Due process you used the  
incorrect remedy in my criminal case

Criminal Notice

You probably didn't receive my other letters  
of Double Jeopardy for an illegal Mental  
Hospital created by Scott Lewis who is  
embezzling money from the government and  
subjecting inmates to Double Jeopardy  
he works for SCDC his title is under Director

Probate motion

\*You received  
the letter  
dated for  
11/30/24  
in regards  
to probate

Deputy Director of operations at Headquarters  
He is false imprisoning inmates subjecting them  
to Double Jeopardy inmates begging to go back  
to prison it is not a living facility it  
consist of 2 room and a Hallway people do  
not want to be there and they are subjecting  
us to unlawful Probate orders

Richland County Probate Court Case # 2024-ME40-02360  
order Filed 11/15/2024 4:32:53 PM  
Judge Nia Behling

Its  
obstruction  
of Justice  
to steal  
someone  
legal mail  
everything  
with the  
court is  
dated and  
have time-  
frames

Which I appealed to you while I was there but Scott Lewis unlawfully stole my legal mail and didn't deliver it to prison instead I was held there from Oct 28 - Dec 4 I need the Appeals court to Dismiss the Probate order from the SCDC mental Hospital MSCU which the law states "mental patients may not be kept in jail for safe keeping" Title 44 - rights of mental patients if we not suppose to be in jail we defiantly not suppose to be in prison inmates have been sent there on emergency Admission Not Judicial Admission and they are subjecting inmates to Double jeopardy instead of Absolutely discharging their criminal case to probate, Judges and lawyer name I sent is in on the embezzlement ~~scam~~ Scam, the state paid the mental Facility \$15,000 For 12 days According to my chart its 9 inmates there they receive roughly \$145,000 Dollars every 12 days some people been there a year some 6 months people begging to go back to prison this is at Lancaster Hospital Richmond SC Judge Nia & random probate Judges are willingly subjecting inmates to Double Jeopardy they are saying inmates are incompetent when most people here signed a plea and prison is for competent people probate is for incompetent people you cannot punish us with both lawfully I want my order Dismissed and this issue addressed and remedied correctly And Probate should've dismissed this Criminal Case instead I was subjected to Double Jeopardy Again! and they threatend me to take unnessary meds with Double Jeopardy order violation of my rights

& solicitor

Of Justice also, I was kidnapped from Prision and  
unwarranted confined and false imprisoned  
From 10/28 - 12/4 at Lancaster Hospital and subjected  
to Double Jepordy through Probate Court which  
failed to Absolute Discharge my criminal case  
to probate and they are operationing outside of  
title 44 - rights of mental patients and the facility  
only contain inmates, its two rooms and a Hallway  
sc law states "mental Patients shall not be kept in  
jail for safe-keeping and definitely Not prision so
