Defendant Builders FirstSource-Southeast Group, LLC ("BFS") submits this brief to support its motion for summary judgment as to Plaintiff Fenwick Commons HOA's claims for negligence, breach of warranties, and violation of South Carolina's Unfair Trade Practices Act. BFS supplied trusses to Portrait Homes at a limited number of residences and subsequently supplied and installed window components for D.R. Horton, Inc. at a limited number of residences. There is no question of material fact and BFS is entitled to summary judgment as a matter of law based on the following grounds:

- 1) **Fenwick Commons HOA does not have standing to assert claims for damages allegedly resulting from BFS' supply and installation of windows.** A property regime only has standing to bring an action for construction defects in elements that the regime owns or has a duty to maintain. *Dockside Ass'n, Inc. v. Detyens, Simmons & Carlisle*, 287 S.C. 287, 288, 337 S.E.2d 887, 888 (1985); *Queens Grant Villas Horizontal Property Regimes v. Daniel International Corp.*, 335 S.E.2d 365 (S.C.1985); *Roundtree Villas Association v. 4701 Kings Corp.*, 282 S.C. 415, 321 S.E.2d 46 (1984). Windows are not a common element by law. See S.C. Section 27-31-20. The governing documents do not provide that windows are a common element for which the HOA owns or must maintain. See Exhibit A. Moreover, "glass surfaces" are specifically excluded from the HOA exterior maintenance obligations for the residential units. See p. 10, Exhibit A. Plaintiff has not produced any assignments from any Owners of any Lots in Fenwick Commons. Therefore, Plaintiff lacks standing to sue BFS for damages allegedly resulting from BFS' supply and installation of windows.
- 2) **Fenwick Commons HOA has no evidence to support its allegations of deficiencies in and damages resulting from BFS scope of work.**
 - a) BFS scope of work for Portrait Homes was limited to supply of trusses. Plaintiff's expert witness Robert G. Sisnroy, PE testified that he has no criticism of the trusses supplied by BFS. Therefore, as a matter of law, BFS is entitled to summary judgment as to all of Plaintiff's claims for damages allegedly resulting from BFS scope of work for Portrait Homes.
 - b) BFS scope of work for D.R. Horton was limited to supply and installation of windows and associated components at a limited number of addresses. Mr. Sisnroy documented less than 25 locations where he purportedly observed a defect and resulting damage at a window. See Exhibit C, Sisnroy defect location chart and testimony regarding window testing. However, BFS only performed work at 6 of those locations and the work performed by BFS was not implicated by Mr. Sisnroy. See Exhibit B, which sets forth all BFS work performed for D.R. Horton. Therefore, as a matter of law, BFS is entitled to summary judgment as to all of Plaintiff's claims for damages allegedly resulting from BFS scope of work for D.R. Horton.

6

assessments, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, late charges, costs and reasonable attorney's fees, shall be a charge on the Lots and shall be a continuing lien upon the Lots against which each such assessment is made. Each such assessment, together with interest, late charges, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his or her successors in title unless expressly assumed by them. If the Association should be dissolved or cease to exist, then in that event, every Owner of a Lot at the time of required maintenance shall be jointly and severally liable for any and all costs attendant thereto.

Section Two. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the Properties and in particular for: (1) the improvement, maintenance, repair, and reconstruction of the Common Areas and of the exterior of the residential units, including landscaping; (2) the maintenance, repair, and reconstruction of (a) private water and/or sewer lines (and any meters or lift stations associated therewith), (b) any pond (detention or retention), (c) pool and pool house, (d) private streets, (e) street lights, driveways, entry monuments, perimeter fences, walks, and parking areas and such maintenance to include the cutting and removal of weeds and grass, the removal of trash and rubbish, or any other maintenance and (f) irrigation system; (3) the use and enjoyment of the Common Area, including, but not limited to, the cost of repairs, replacements, and additions; (4) the cost of labor, equipment, materials, management, and supervision; (5) the payment of taxes and public assessments assessed against the Common Area; (6) the procurement and maintenance of insurance in accordance with this Declaration; (7) the employment of attorneys to represent the Association when necessary; and (8) the provision of adequate reserves for the replacement of capital improvements, including, without limiting the generality of the foregoing, roofs, paving, and any other major expense for which the Association is responsible; (9) flood insurance for those Lots in Flood Zone A, AE and V which shall be a common expense shared by all Lots; (10) extermination services; and (11) such other needs as may arise.

Section Three. Reserves. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Areas, and those other portions of the Properties, which the Association may be obligated to maintain, and for unusual and unforeseen expenses of the Association. Such reserve fund is to be established, insofar as is practicable, out of annual assessments for common expense. Further, the reserve fund may be applied to operational deficits provided adequate reserves are maintained.

Section Four. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Two Thousand Eight Hundred (\$2,800) per Lot (except that pursuant to Section Seven of this Article, the maximum annual assessment for Lots owned by Declarant which are not occupied as a residence shall be Seven Hundred (\$700 per Lot).

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by the Board of Directors effective January 1 of each year without a vote of Membership, but subject to the limitation that any such increase shall not exceed the greater of twenty percent (20%) or the percentage increase in the Consumer Price

OK X575PG224

Index (published by the Department of Labor, Washington, D.C.) for all cities over preceding twelve (12) month period which ended on the previous October 1.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, or until increased as provided for in (b) or (c) below, whichever last occurs, the maximum annual assessment may be increased above the increase permitted in Section 4(a) above by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the monthly assessment at an amount which shall not exceed one twelfth (1/12) of the maximum annual assessment.

Section Five. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment applicable to that year for the purpose of supplying adequate reserve funds for the replacement of capital improvements; for defraying, in whole or in part, the cost of any construction, reconstruction, restoration, repair or replacement of a capital improvement upon the Common Area or upon a Lot, and in connection with exterior maintenance, including fixtures and personal property related thereto; for insurance costs of the Association; or for unusual, unforeseen and nonreoccurring expenses of the Association, provided that any such assessment shall have the assent of the Board of Directors. Any special assessment affecting or benefiting only particular Lots shall be equitably apportioned, by the Board, among the Lots affected or benefited.

Section Six. Notice and Quorum for any Action Authorized Under Section Four. Written notice of any meeting called for the purpose of taking any action authorized under Section Four shall be sent to all Members no less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the proceeding meeting.

Section Seven. Uniform Rate of Assessment. Both annual and special assessments shall, except as herein otherwise specifically provided, be fixed at a uniform rate for all similar Lots and shall be collected on a monthly basis. Provided, however, that the assessment for Lots owned by Declarant which are not occupied as a residence, shall at all times be twenty-five percent (25%) of the assessments for other Lots.

Section Eight. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to each building on the day of the month on which the first Lot in such building is conveyed by Declarant, to a non-related entity for occupancy, except Declarant shall have the following option: (i) Declarant shall commence paying twenty five (25%) percent of the regular assessments for all Lots it owns upon such conveyance or (ii) Declarant may elect not to pay any assessments whatsoever provided it funds any deficiency in the operational budget of the Association until it commences payment of the assessments in (i) above. Such annual assessments shall be paid

Pasquini/HOA Forms/Fenwick Commons/Declaration 02.01.06

8

ratably on a monthly basis. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. Non-related entity means an entity, which is not owned, managed, or operated by any common individuals.

Section Nine. Effect of Nonpayment of Assessments: Remedies of the Association. A late charge of Twenty Five and No/100 Dollars (\$25.00) shall be added to any assessment not paid within fifteen (15) days after the due date, together with interest from the due date at eight percent (8%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property, and in either event: interest, costs, and reasonable attorney's fees of any such action shall be added to the assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his or her Lot.

Section Ten. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and ad valorem taxes. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments, which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section Eleven. Working Capital Fund. At the time of closing of the sale of each Lot, a sum equal to at least two months' assessment for each Lot shall be collected and transferred to the Association for use as working capital. The purpose of said fund is to insure that the Association will have adequate cash available to satisfy expenses, and to acquire additional equipment or services deemed necessary or desirable. Amounts paid shall not be considered advance payment of monthly installments of annual assessments.

Section Twelve. Default By Association: Upon default by the Association in the payment to the jurisdiction entitled thereto of any assessments for public improvements or ad valorem taxes levied against the Common Areas, which default shall continue for a period of six (6) months, each Owner of a Lot shall become personally obligated to pay the jurisdiction a portion of the taxes or assessments in an amount determined by dividing the total taxes and/or assessments due to the jurisdiction by the total number of Lots in the Properties. If the sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, the sum shall become a continuing lien on the property of the Owner, his or her heirs, devisees, personal representatives, and assigns. The taxing or assessing jurisdiction may either bring an action at law against the Owner personally obligated to pay the same, or may elect to foreclose the lien against the property of the Owner.

ARTICLE VI**EXTERIOR MAINTENANCE AND PARTY WALLS**

Section One. Exterior Maintenance. In addition to maintenance of the Common Area, the Association shall provide exterior maintenance upon each Lot as follows: paint and/or stain the exterior of the residential unit on the Lot; repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs (excluding those planted by an Owner), grass, walks, mailboxes, fences installed by Declarant or the Association, exterior post lights (excluding electricity therefor), and other exterior improvements. Such exterior maintenance shall not include glass surfaces. Further, the Owner of any Lot may, at his or her election, plant flowers in the front and rear beds established by Declarant in developing the Lot, provided that such maintenance by the Owner does not hinder the Association in performing its maintenance of the exterior of the residential unit and the remaining yard spaces. No maintenance by an Owner shall reduce the assessment payable by him or her to the Association. The Owner shall not plant any vegetation in the front yard except with the prior written approval of the Association.

(As a matter of information to future Members of the Association, the Declarant desires to make it known that due to differing amounts of exposure to the elements and other factors, some Lots may require more maintenance than others and that it is in the best interest of the entire Association that all units be properly maintained and that the Association shall be required to provide such maintenance provided for herein and make a uniform charge without regard to the actual cost of maintenance of each Lot.)

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his or her family, or guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot is subject, which is not subject to any maximum. The Association is hereby granted an easement right of access to go upon any Lot for performance of repairs or maintenance, the responsibility of which is the Association's hereunder.

Subject to the provisions of this Declaration as expressly set forth in the obligations of the Association, all maintenance, repair or replacement of the Lot and all structures, and other improvements located within the Lot shall be the sole responsibility of the Owner thereof who shall perform such maintenance in a manner consistent with the community and the applicable provisions of this Declaration.

Section Two. Party Walls.

(a) General Rules of Law to Apply. Each wall which is built as a part of the original construction of the residential units upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. No alterations may be made to any party wall other than alterations to the interior surfaces.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

(c) Destruction by Fire or Other Casualty. The Architectural Control Committee or the Board of Directors may establish reasonable rules and regulations for enforcing the provisions of this Section Five.

Section Six. Parking of Vehicles and Use of Property. If the Owner of such animal fails or refuses to honor such request, the animal may be removed at the direction of the Board of Directors. An Owner's failure to remove fecal matter or other solid waste left in any Common Area or Lot by an animal owned by an occupant of such Owner's Lot (or their guests or invitees) shall be conclusively deemed to be a nuisance, and shall subject such Owner to such reasonable penalties as may be determined by the Association, including without limitation, upon repeated violations, the removal of such animal as described above. The cost and expense of any removal of an animal under this Section Eight shall be the sole responsibility of the Owner of the Lot where the animal was kept (or was brought by a guest or invitee). In the event that such Owner fails to reimburse the Association for such cost and expense within twenty-one (21) days after the Association's demand for reimbursement, such cost and expense shall become part of the annual assessment against such Lot, and the amount of such cost or expense assessed against such Lot shall not be counted or considered in determining whether a maximum assessment has been made against such assessed Lot under Article V, Section Four of this Declaration.

Section Nine. Control of Pets. Every person owning or having possession, charge, care, custody or control of any dog, cat or other uncaged pet shall keep such pet exclusively inside his own residential unit or inside the confines of such Owner's Lot; provided, however, that such pet may be off the Owner's Lot if it be under the control of a competent person and restrained by a chain, leash or other means of adequate physical control. All Owners must control their pets at all times, whether or not such Owner is present, in a manner that will prevent any pet from (i) making noise at objectionable sound levels for extended periods of time, whether continuously or intermittently, (ii) endangering the health or safety of other Owners, their families, guests or invitees or creating fear in other Owners as to the safety

of themselves, their families, guests or invitees, or (iii) otherwise constituting a nuisance or inconvenience to the Owner(s) of any other Lot; all of the foregoing as determined by the Association. Any pet identified by the Association as a potentially dangerous animal constituting an unreasonable risk or threat to any other Owner or as to other Owners generally, whether or not such risk or threat is deemed immediate or imminent, or as to the family, guests or invitees of any Owner or other Owners generally, whether due to the type, kind or species of such animal, or its size, natural proclivities or inherent nature, or as a result, whether in whole or in part, of the known tendencies, habits, disposition or history of such animal, or as a result of the manner in which such animal generally is supervised and controlled by its owner, or for any combination of any of the foregoing reasons, shall be subject to such further restrictions or control as the Association may in its absolute discretion deem appropriate, which further restrictions or control may include, without limitation, any one or more of the following additional requirements: (a) constant restraint of the animal by means of a cage, chain, leash or other means deemed appropriate and approved by the Association at all times while such animal is outside an Owner's residential unit, even while such animal is on such Owner's Lot; (b) limitations on the time periods or durations that such animal is permitted to be outside of its Owner's residential unit; (c) prohibiting the animal to be outside at any time without its Owner present; or (d) permanent removal of the animal from the Property.

The Association, by the Board of Directors, may impose fines and penalties for any violation of the Declaration Bylaws, Articles of Incorporation or Rules and Regulations, pursuant to the Act. The Association's Board shall determine violations of the Declaration, Bylaws, Articles of Incorporation and Rules and Regulations. The Owners and Members consent to the Board making such determination and the assessment of a \$50.00 per day fine for violations of the Declaration, Bylaws, Articles of Incorporation, and Rules and Regulations and consent to the

Association recording a lien against the Owner's or Member's Lot to collect such fines. The following procedure shall govern the imposition of fines: (i) the Association shall give written Notice of Violation of the Declaration, Bylaws, Articles of Incorporation, and Rules and Regulations adopted by the Board of Directors; (ii) if the Owner or Member does not respond within ten (10) days of receipt of the Notice of Violation, the Owner or Member shall be deemed to have agreed with such determination; (iii) if the Owner or Member objects to such Notice of Violation, it shall provide all written evidence as to why such act or omission does not constitute a violation of the Declaration, Bylaws, Articles of Incorporation or Rules and Regulations within ten (10) days of receipt of the Notice of Violation; (iv) the Board shall consider all written evidence submitted by the Owner or Member and shall make a final determination thereon within fifteen (15) days of receipt of the Owner's or Member's written material; (v) the Association, through the Board of Directors, shall respond to an Owner's or Member's objection in writing with a final determination on the issue; (vi) if the Owner or Member does not adhere to the Association's initial determination or final determination, if applicable, the Association shall be entitled to levy a fine against the Owner or Member, not exceeding \$50.00 per day for as long as the violation of Declaration, Bylaws, Articles of Incorporation or Rules and Regulations continue.

Section Fourteen. Rules and Regulations Concerning the Use of the Lot. Rules and Regulation concerning the use of the Lots may be promulgated by the Association acting by and through its Board of Directors, each of which shall be deemed to be incorporated herein by reference and made a part thereof, as amended from time to time. The Association shall deliver such rules and regulations to Owners prior to the time that they become effective. The rules and regulations promulgated from time to time shall be deemed to be reasonable and enforceable, so long as they bear any relationship to the safety, health, happiness and enjoyment of the Owners, and in furtherance of a plan to provide for the congenial occupation of the Lots, to promote and protect the cooperative aspects of ownership, the value of the Lots and/or facilitate the administration of the community as a first class, safe, healthy, happy, quiet and restful residential community. The board of directors of the Association is hereby granted specific power and authority to enforce said rules and regulations.

ARTICLE X

EASEMENTS

All of the Properties, including Lots and Common Areas, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas lines, telephone, and electric power line and other public utilities as shall be established by the Declarant or by its predecessors in title; further, the Association shall have the power and authority to grant and establish upon, over, under, and across the Common Areas conveyed to it, such further easements as are requisite for the convenient use and enjoyment of the Properties. In addition, there is hereby reserved in the Declarant and its agents and employees an easement and right of ingress, egress, and regress across all Common Areas, now or hereafter owned by the Association, for the purpose of construction of improvements within the Properties, including the right of temporary storage of construction materials on said Common Areas.

So long as Declarant owns any property described on Exhibit "A", Declarant reserves blanket easements and the right to grant such specific easements over all the Properties, including Lots and

Fasquini/HOA Forms/Fenwick Commons/Declaration 02.01.06

Common Areas, as may be necessary in conjunction with the orderly development of the property described on Exhibit "A" or any adjacent property (including without limitation the planning, construction, marketing, leasing, management and maintenance of improvements) for use, enjoyment, access, construction and maintenance of public or private utilities and storm drainage (whether subsurface or surface). No such easements may be located within the area beneath any building located thereon.

All Lots shall be subject to easements for the encroachment of initial improvements constructed on adjacent Lots by the Declarant to the extent that such initial improvements actually encroach including, but not limited to, such items as overhanging eaves and walls.

Declarant reserves access easements over all Lots for construction, either for that Lot or any adjacent property and easements for the installation of public or private utilities and storm drainage (whether subsurface or surface).

There are reserved cross-easements in favor of Owners of Lots that comprise a building for access to and from each other Lot comprising the building and the Common Area adjacent to the Lots comprising the building, including, but not limited to the transportation of roll-out garbage containers; however, this does not include access to approved decks, patios or areas with approved fences.

ARTICLE XI

DECLARANT'S RIGHTS

The right is reserved by Declarant, or its agents, to place and maintain on the Properties all model homes, sales offices, advertising signs and banners and lighting in connection therewith and other promotional facilities at such locations and in such forms as shall be determined by Declarant. There is also reserved unto Declarant, its agents and prospective purchasers and tenants, the right of ingress, egress and transient parking in and through the Properties for such sales purposes. Declarant also reserves the right to maintain on the Properties without charge (a) a general construction office for Declarant's contractors and (b) appropriate parking facilities for the employees of Declarant's agents and contractors. Notwithstanding any other provision to the contrary, no annual or special assessment shall be due for any models of the Declarant. Notwithstanding any provision herein to the contrary, the rights and easements created under this Declaration are subject to the right of Declarant to execute all documents and do all other acts and things affecting the Properties, which in the Declarant's opinion, are required to implement any right of Declarant set forth in this Declaration (including the making of any dedications or conveyances to public use) provided any such document or act is not inconsistent with the then existing property rights of any Owner.

Notwithstanding any provision to the contrary, Declarant reserves the right and power, and each Owner by acceptance of a deed to a Lot is deemed to and does give and grant to Declarant a power of attorney, which right and power is coupled with an interest and runs with the title to a Lot and is irrevocable (except by Declarant), without the consent, approval or signature of each Owner, to (i) amend the Declaration and all attachments, to the extent necessary to conform to the requirements then governing the purchases or insurance of mortgages by The Mortgage Corporation, Federal National Mortgages

Association, Governmental National Mortgages Association, Federal Home Loan Mortgage Corporation, Mortgage Guaranty Insurance Corporation, Department of Housing and Urban Development, the Federal Housing Administration, the Veterans Administration, or any other similar agency or organization, (ii) induce any such agencies or entities to make, purchase, sell, insure or guarantee first mortgages covering Lot ownership, (iii) to correct typographical errors, surveyor errors in descriptions or otherwise, or obvious factual errors or omissions, the correction of which would not impair the interest of any Owner or mortgagee, (iv) bring this Declaration into compliance with South Carolina law, (v) to amend any Exhibits, (vi) to exercise any Special Declarant Rights or development rights; or (vii) to amend this Declaration in any manner which does not materially affect an Owner's use and enjoyment of his or her Lot; and further provided that if there is an Owner other than the Declarant, the Declaration shall not be amended to increase the scope or the period of control of the Declarant. Each deed, mortgage, other evidence of obligation, or other instrument affecting a Lot and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and consent to the reservation of, the power of Declarant to vote in favor of, make, execute and record any of the foregoing amendments. The rights of Declarant under this Section shall terminate at such time as Declarant no longer holds or controls title to a Lot and the right of Declarant to add the Additional Property has expired.

ARTICLE XII

DISPUTE RESOLUTIONS AND LIMITATIONS ON LITIGATION

Section One. Agreement to Avoid Costs of Litigation and to Limit Rights to Litigate Disputes. The Association, Declarant, all Persons subject to this Declaration, Owners and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Properties in order to avoid the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes between such Bound Party and any other Bound Party involving the Properties including, without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of this Declaration, the By-Laws, the Association rules, or the Articles (collectively "Claim"), except for those Claims authorized in Section Two, shall be resolved using the procedures set forth in Section Three in lieu of filing suit in any court or initiating proceedings before any administrative tribunal seeking redress or resolution of such Claim.

Section Two. Exempt Claims. The following Claims ("Exempt Claims") shall be exempt from the provisions of Section Three;

(a) Any suit by the Association against any Bound Party to enforce the provisions of Article V (Assessments);

(b) Any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of Article VII (Architectural Control) and Article IX. (Use Restrictions);

8K X575PG236

(c) Any suit between Owners (other than Declarant) seeking redress on the basis of a Claim which would constitute a cause of action under federal law or the laws of the State of South Carolina in the absence of a claim based on the Declaration, By-Laws, Articles or rules of the Association, if the amount in controversy exceeds \$5,000.00; and

(d) Any suit arising out of any written contract between Owners, or between the Declarant and any Builder, which would constitute a cause of action under the laws of the State of South Carolina in the absence of the Declaration, By-Laws, and Articles of the Association.

Any Bound Party having an Exempt Claim may submit it to the alternative dispute resolution procedures set forth in Section Three, but there shall be no obligation to do so. The submission of an Exempt Claim involving the Association to the alternative dispute resolution procedures of Section Three shall require the approval of the Association.

Section Three. Mandatory Procedures for All Other Claims. All Claims other than Exempt Claims shall be resolved using the following procedures:

(a) Notice. Any Bound Party having a claim ("Claimant") against any other Bound Party ("respondent"), other than an Exempt Claim, shall notify each respondent in writing of the Claim (the "Notice"), stating plainly and concisely:

- (1) The nature of the Claim, including date, time, location, persons involved and respondent's role in Claim;
- (2) The basis of the Claim ("Claimant") (i.e., the provisions of this Declaration, the By-Laws, the Articles or rules or other authority out of which the claim arises);
- (3) What Claimant wants Respondent to do or not to do to resolve the Claim;
- (4) The Claimant wishes to resolve the Claim by mutual agreement with Respondent and is willing to meet in person with Respondent at a mutually agreeable time and place to discuss in good faith ways to resolve the Claim.

(b) Negotiation.

- (1) Each Claimant and Respondent (the "Parties") shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good negotiation.
- (2) Upon receipt of a written request from any Party, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation, if in its discretion it believes its efforts will be beneficial to the Parties and to the welfare of the community.

(c) Mediation.

- (1) If the Parties do not resolve the Claim through negotiation within 30 days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have 30 additional days

within which to submit the Claim to mediation under the auspices of any dispute resolution center or other such independent agency providing similar services in the same geographical area upon which the Parties may mutually agree.

- (2) If Claimant does not submit the Claim to mediation within 30 days after Termination of Negotiations, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons not a Party to the foregoing proceedings.
- (3) If the Parties do not settle the Claim within 30 days after submission of the matter to the mediation process, or within such time as determined reasonable or appropriate by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth when and where the Parties met, that the parties are at an impasse, and the date that mediation was terminated.
- (4) Each Party shall, within five days of the Termination of Mediation, make a written offer of settlement in an effort to resolve the Claim. The Claimant shall make a final written settlement demand ("Settlement Demand") to the Respondent. The Respondent shall make a formal written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

(d) Final and Binding Arbitration. Any and all claims, disputes and controversies by and between the Declarant, Association and/or Owners or any combination thereof arising from or related to the Properties (including Lots and Common Areas), any improvements to the Properties, the sale of any part of the Properties, including, without limitation, any claim of breach of contract or warranty, negligence, negligent or intentional misrepresentation or non disclosure in the inducement, execution or performance of any contract, including this arbitration agreement, and breach of any alleged duty of good faith and fair dealings, shall be submitted to arbitration by and pursuant to the rules of Construction Arbitration Services, Inc. (hereinafter CAS) in effect at the time of the request for arbitration or by such other arbitration service as Declarant shall, in its sole discretion select, and pursuant to the rules of that arbitration service in effect at the time of the request for arbitration. This arbitration agreement shall inure to the benefit of, and be enforceable by all successors and assigns of the parties. Any party shall be entitled to recover reasonable attorneys' fees and costs incurred in enforcing this arbitration agreement, and the arbitrator shall have sole authority to award such fees and costs. The decision of the arbitrator shall be final and binding and may be entered as a judgment in any state or federal court of competent jurisdiction. This arbitration agreement shall be deemed to be a self executing arbitration agreement. Any disputes concerning interpretation or the enforceability of this arbitration agreement, including without limitation, its revocability or voidability for any cause, the scope of arbitrable issues and any defense based on waiver, estoppel or laches shall be decided by the arbitrator. The initiation of or participation by any party in any judicial proceedings

concerning this arbitration agreement or any matter arbitrable hereunder shall not be deemed a waiver of the right to enforce this arbitration agreement, and notwithstanding provision of law to the contrary, shall not be asserted or accepted as a reason to delay, to refuse to participate in, or to refuse to enforce this arbitration agreement. Any party who shall commence a judicial proceeding concerning a dispute that is arbitrable, however, shall also be deemed a party requesting arbitration within the meaning of this arbitration agreement. The arbitrator's compensation shall be borne equally by the arbitrating parties. Any additional fees may be assessed in accordance with the arbitration rules and fees. Parties expressly agree that this arbitration agreement involves and concerns interstate commerce and is governed by the provisions of the Federal Arbitration Act (9 USC §1 *et seq.*) now in effect as the same may from time to time be amended, supplanted or replaced, to the exclusion of any different or inconsistent state or local law, ordinance or judicial rule; and to the extent that any local law, ordinance or judicial rule may be inconsistent with any provision of the rules of the arbitration service under which the arbitration proceeding shall be conducted, the latter rule shall govern the conduct of the proceedings. If any provision of this arbitration agreement shall be determined by arbitrator or by any court to be (i) non-enforceable or (ii) have been waived, the remaining provision shall be deemed to be severable therefrom and enforceable according to their terms.

Section Four. Allocation of Costs of Resolving Claims.

(a) Each Party shall bear its own costs incurred prior to and during the proceedings described in Section Three (a), (b) and (c), including the fees of its attorney or other representative. Each Party shall share equally all charges rendered by the mediator(s) pursuant to Section Three (c).

(b) Each Party shall bear its own costs (including the fees of its attorney or other representative) incurred after the Termination of Mediation under Section Three (c) and shall share equally in the costs of conducting the arbitration proceeding (collectively, "Post Mediation Costs"), except as otherwise provided in subsection Section Four (c).

(c) Any Award, which is equal to or more favorable to Claimant than Claimant's Settlement Demand shall add such Claimant's Post Mediation Costs to the Award, such Costs to be borne equally by all Respondents. Any Award which is equal to or less favorable to Claimant than Respondent's Settlement Offer to that Claimant shall also award to such Respondent its Post Mediation Costs, such Costs to be borne by all such Claimants.

Section Five. Enforcement of Resolution. If the Parties agree to a resolution of any Claim through negotiation or mediation in accordance with Section Three and any Party thereafter fails to abide by the terms of such agreement, or if any Party fails to comply with the terms of any Award following arbitration, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in Section Three, in such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys fees and court costs.

Section Six. Commencement of Litigation. (a) Any litigation by the Association other than the "Exempt Claims" set out in Section Two or (b) any arbitration against the Declarant shall both require an

affirmative vote of seventy five percent (75%) of the Members of the Association prior to the institution of such litigation. No lawsuit shall be permitted against Declarant in any circumstance.

ARTICLE XIII

GENERAL PROVISIONS

Section One. Enforcement. The Declarant, Association, or any Owner shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Declarant, Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section Two. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section Three. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land perpetually. Except as provided herein, this Declaration may be amended by an instrument signed by not less than sixty seven percent (67%) of the Lot Owners. No amendment in any circumstance may alter, amend, or eliminate any right, privilege, or benefit of Declarant, and further no amendment relating to the maintenance, repair, replacement and ownership of the permanent ponds on the Properties shall be permitted without the review and approval by the governmental office having jurisdiction for watershed protection.

Section Four. Management and Contract Rights of Association. Declarant shall enter into a contract with a management company or manager for the purposes of providing all elements of the operation, care, supervision, maintenance, and management of the Properties. Declarant contemplates that the initial manager may be the Declarant or a firm affiliated with the Declarant. The initial Board of Directors of the Association shall ratify and approve the management contract, which will provide for such manager or management company to act as a managing agent for the Association with respect to the Properties at a rate equal to the greater of: (i) Fourteen Dollars (\$14.00) per month for each Lot that has become subject to an assessment by the Association under Article V, Section Eight of this Declaration, or (ii) Four Hundred Dollars (\$400.00) per month. Any such contract or lease entered into by Declarant or by the Association while Declarant is in control thereof shall contain a provision allowing the Association to terminate such contract, without justification or penalty, upon sixty (60) days notice.

Section Five. FHA/VA Approval. As long as there is a Class B Membership, the following actions will require the prior written approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties not included in this Declaration, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions, and Restrictions.

Section Six. Rights of Noteholders. Any institutional holder of a first mortgage on a Lot ("Mortgage Holder") will, upon request, be entitled to (a) inspect the books and records of the Association during

normal business hours, (b) receive an annual financial statement of the Association within ninety (90) days following the end of its fiscal year, (c) receive written notice of all meetings of the Association and the right to designate a representation to attend all such meetings, (d) receive written notice of any condemnation or casualty loss that affects either a material portion of the project or the unit securing its mortgage, (e) receive written notice of any sixty-day delinquency in the payment of assessments or charges owed by the Owner of any unit on which it holds the mortgage, (f) receive written notice of a lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Owners' Association, (g) receive written notice of any proposed action that requires the consent of a specified percentage of mortgage holders, and (h) be furnished with a copy of the master insurance policy.

Section Seven. Notices. Any notice required or desired to be given under the provisions of this Declaration shall be deemed to have been properly delivered when deposited in the United States mail, postage prepaid, directed to the last known Mortgage Holder or other party entitled to notice, at the last known address for each such party, all as shown on the books and records of the Association at the time such notice is given.

Section Eight. Exculpation. It is expressly understood and agreed that nothing contained in this Declaration shall be interpreted or construed as creating any liability whatsoever, directly or indirectly, against Declarant or any of its officers, members, managers, employees, agents, attorneys, heirs, executors, legal representatives, successors or assigns (collectively the Declarant Related Parties) for monetary relief or damages. In particular, and without limiting the generality of the foregoing, if any proceeding shall be brought to enforce the provisions of this Declaration, the party instituting such proceeding shall not be entitled to take any action to procure any money judgment against the Declarant or any related parties.

Section Nine. Conflict with South Carolina law: Severability. Should any of the terms, conditions, provisions, paragraphs, or clauses of this Declaration conflict with any provisions of South Carolina law, the provisions of South Carolina law shall control unless South Carolina law permits the Declaration to override South Carolina law, in which event the Declaration shall control. The invalidity of any covenant, restriction, condition, limitation, provision, paragraph or clause of this Declaration, or any part of the same, or the application thereof to any person or circumstance, shall not impair or affect in any manner the validity, enforceability or effect of the rest of this Declaration, or the application of any such covenant, restriction, condition, limitation, provision, paragraph or clause to any other person or circumstance.

Section Ten. Disclaimer of All Warranties. Declarant and Developer hereby disclaim and exclude any and all warranties, expressed or implied (including, without limitation, any implied warranty of habitability, merchantability, quality or fitness for particular purpose), with respect to the Properties, Common Area and the Lots. The Association and any Lot Owner knowingly agree to waive any and all rights that they may have pursuant to the implied warranty of habitability. The Association and Lot Owners acknowledge and agree that the sole warranties that apply to the Properties, Common Area and the Lots are solely contained within the purchase agreement for the acquisition of the Lots.

Section Eleven. Disclaimer of Other Entities. Owners and the Association acknowledge and understand that their relationship is with the Declarant pursuant to the written terms of this Declaration, and no other entity notwithstanding anything to the contrary in advertising, promotional or other materials. Owners and the Association acknowledge that they have no claim against any entity including affiliates, subsidiaries, parents or otherwise under common control of Declarant, and Owners and the Association waive and release any such claims, if any.

Section Twelve. Assignments by Declarant. All rights which are specified by this Declaration to be the rights of the Declarant are assignable, mortgageable, pledgeable or transferable. Any successor to, or assignee of, the rights of the Declarant hereunder (whether as the result of voluntary assignment, foreclosure, assignment in lieu of foreclosure or otherwise) shall hold or be entitled to exercise the rights of the Declarant hereunder as fully as if named as such party herein. No party exercising rights as Declarant hereunder shall have or incur any liabilities for the acts of any other party which previously exercised or subsequently shall exercise such rights.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has caused this instrument to be executed in its corporate name and its corporate seal to be hereunto affixed, by authority of its Board of Directors, the day and year first above written.

Mr. Sisnroy, my name is Troy Thames. I 6 represent JJA Construction and JJA Framing in this 7 case. We just talked a little bit before we got 8 started. I don't think I'll be too terribly long. 9 But because we're doing this by Zoom, if you have 10 any problems hearing me please let me know. 11 A. All right. 12 Q. All right. And I know you've been 13 through this before, so I won't reiterate all the 14 rules again. But now that we've started, if you 15 have any questions, can't understand me, can't hear 16 me, please tell me. And because we're doing this 17 by Zoom, try to make sure we don't talk at the same 18 time, okay? 19 A. Yes. 20 Q. All right. Let me start by asking you 21 what did you do to prepare for your deposition 22 today? 23 A. I reviewed my files, reviewed my past 24 deposition transcripts, reviewed technical 25 information associated with my opinions and report.

When you said reviewed technical 3 information, what would that -- what would that be? 4 A. I always go back and review the 5 particular statements in the code, for instance, 6 statements in industry standard references that I 7 have that are appropriate. 8 Q. All right. Did you refer to anything 9 in a -- any technical information that was new 10 compared to any technical information you testified 11 about in your earlier depositions in this case? 12 A. No, not that I recall. 13 Q. Okay. Have you been back to the 14 Fenwick neighborhood since your last deposition? 15 A. No. 16 Q. And since your last deposition have you 17 talked to any of the homeowners from the Fenwick 18 neighborhood? 19 A. No. 20 Q. Have you reviewed any photographs or 21 any sort of -- any other materials from any other 22 experts in this case since your last deposition? 23 A. No. 24 Q. All right. And you said a moment ago, 25 you told me that you did review your prior

Page 529 1 testimony. Since the last deposition is there 2 anything that you believe needs to be changed or 3 updated now that you've looked at it again? 4 A. Well, one thing I think I'd like to 5 clarify is, is there was some questions that were 6 asked in the questioning about vinyl siding and my 7 observations of the vinyl siding as to whether I 8 made any observations in the field in the intrusive 9 observations. 10 I think my response was no, but I want 11 to clarify that in many cases I removed siding to 12 the extent that it was in the field of the wall in 13 looking at other locations. 14 So my answer to whether I did do 15 intrusive observations in the field of the wall 16 away from a window or a door, yes, I did, but 17 generally that was in association with doing 18 intrusive observations of the components that were 19 adjacent to that area. 20 Q. Okay. So your testimony -- I'm sorry. 21 So what I understand, you did not remove vinyl 22 siding for the sake of observing the field of the 23 wall, but if you removed vinyl siding for something 24 else you may have made some observations of the 25 field wall; is that what you're saying?	Page 531 1 investigation between now and whenever the trial of 2 this case is? 3 A. Not at this point. 4 Q. I want to ask you about the times that 5 you were out there during your investigations. Do 6 you have any idea of how many homeowners you talked 7 to during your on-site investigations? 8 A. I don't have an inventory of that. I 9 would estimate four or maybe five homeowners. That 10 would include Mrs. Stisher. 11 Q. Who's the HOA president, I believe? 12 A. Yes. 13 Q. Of the homeowner -- the four or five 14 homeowners that you spoke to, did any of them 15 report that they were having any problems with 16 leaks around any of their windows? 17 A. To the best of my recollection, only 18 one individual indicated a concern about leakage, 19 and as I recall it wasn't really the homeowner. It 20 was someone who was the neighbor that was just 21 forwarding information from the homeowner about a 22 particular window, and that was the only one. 23 Q. Okay. You don't have -- and you don't 24 have any recollection of who that homeowner was or 25 what their address was?
Page 530 1 A. Yes. In several intrusive 2 observations -- say you're around windows, for 3 instance. Enough vinyl siding was removed that the 4 field of the wall was exposed three or four or five 5 feet away from the window, which heretofore had 6 made the observations -- or the ability to make 7 observations there, albeit that I didn't find any 8 problematic conditions, but I did -- I did make 9 observations in the field of the wall. 10 Q. Okay. You said you did not find any 11 problem areas in the field of the wall that you 12 were able to observe. 13 A. That's correct. 14 Q. Okay. Other than clarifying whether or 15 not you made any observations of the field of the 16 wall, have you made any changes to any of your 17 opinions since your last deposition? 18 A. No. 19 Q. Have you not -- have you been asked by 20 either the plaintiffs' attorney or the plaintiffs, 21 the homeowners themselves, to do any further 22 investigation at Fenwick? 23 A. No. 24 Q. And do you currently have any plans to 25 go back out to the neighborhood for any further	Page 532 1 A. It was a home on St. Johns Parrish. I 2 don't -- off the top of my head I don't recall the 3 address now. I'd have to look and see actually 4 what that address was. I think it was -- well, I'd 5 have to look. 6 Q. Would that be in any of your -- 7 documented in your handwritten notes, that 8 conversation? 9 A. No. 10 Q. All right. As part of your -- and I 11 apologize, Bob, if you feel like some of this 12 you've already been asked. I wasn't at the earlier 13 depositions, so I've tried to read them and I may 14 have missed some things. 15 But as part of your investigation did 16 you review any of the homeowners' association 17 records, you know, like meeting minutes, 18 correspondence to homeowners, anything like that? 19 A. No. 20 Q. As part of your investigations did you 21 make any -- or did you conduct any interior 22 inspections of any of the units? 23 A. I think at the request of, as I recall, 24 three homeowners, I did go inside the home and look 25 at some conditions that they were concerned about.

Page 533 1 I think three homes, I believe. 2 Q. Do you know which three homes it was 3 that you went in? 4 A. Off the top of my head, I don't 5 remember the addresses right now. One was on 6 St. Pauls Parrish, and as I said before, one was in 7 St. Johns Parrish, and the third was on Widows 8 Court. 9 Q. Do you recall what the conditions were 10 that those homeowners asked you to come in and look 11 at? 12 A. One was -- the one on St. Pauls Parrish 13 on the second floor, there was -- I remember there 14 was something -- something about a window on the 15 second floor. And then on the first floor there 16 was some -- as a matter of fact, there was some 17 moisture adjacent to a window or some evidence of 18 water intrusion. And I think that was all 19 associated with that home. 20 The one on Widows Court, she actually 21 wanted me to come in and go through the house to 22 the deck and look at something on the deck, but in 23 the course of doing that she brought my attention 24 to, I think, a separation in the window adjacent to 25 the front door. And I believe that's all that I	Page 535 1 onto the window and into that area which was 2 creating a problem. 3 Q. And when you said -- you told me 4 earlier that -- you said the window was separating 5 or there was some separation in the window adjacent 6 to the front door. What do you mean by separation 7 of the window? 8 A. There was like a -- as I recall, a gap 9 between the window frame and the drywall return, as 10 I recall. 11 Q. Did you -- okay. Did you conduct any 12 further investigation or destructive testing of 13 that window to figure out what was going on? 14 A. Not at that particular house. 15 Q. So even though this homeowner reported 16 separation of a window adjacent to the front door, 17 you didn't do further destructive testing of that 18 particular location on that particular house to 19 determine what the problem was. 20 A. Not that I recall. I don't recall 21 opening that area up because it was above a 22 stairway. And at that point in time I didn't have 23 the -- I guess the equipment or the contractor to 24 set up to be able to access that from the stairway 25 from the ground.
Page 534 1 recall. 2 Q. All right. Those three homeowners that 3 asked you to come inside their home, would you have 4 any handwritten notes anywhere that would reflect 5 which houses you went into? 6 A. I can look real quick. I don't know 7 how much -- I took photographs of everything that 8 they were addressing at the time. I don't know 9 whether I made a notation in the field notes or a 10 separate notation of it other than the photographs. 11 Q. All right. So would you have taken 12 photographs of the -- interior photographs of these 13 windows that you just talked about on those two 14 houses? 15 A. Yes. 16 Q. All right. Let me ask you about the 17 window that you said was adjacent to the front 18 door. Is it a window, or is it, you know, a 19 separate window, or is it part of the doorframe, 20 like sidelites? 21 A. No. It was a separate window and -- 22 Q. Okay. 23 A. -- it was, I guess, within -- within 24 two feet of a sloped roof termination that was 25 inundated with water and water was migrating down	Page 536 1 Q. Sure. Understand. But you've been 2 back or you've been out to the neighborhood several 3 times for inspections. At any point during your 4 inspections did you go back to that particular home 5 and inspect that location? 6 A. No. 7 Q. All right. On any of the other homes 8 that you did inspect, do you recall if you 9 inspected that location on similar units? 10 A. As I recall, I did. The difference 11 between these units was on Widows Court, that was 12 supported on pilings and it was a substantial 13 height of a stairway. All the other ones that I 14 did look at that were of similar configuration were 15 slab on grade. So I did investigate other homes 16 with similar conditions. 17 Q. Okay. You broke up a little bit. Did 18 you say the house was on pilings? 19 A. Yes. 20 Q. Okay. Some of these are going to be 21 kind of self-explanatory. It sounds like you only 22 went in three homes, but I want to ask anyway. Did 23 you inspect any attic space in any unit? 24 A. One unit on St. -- Santa Elena Way, I 25 believe that was 1136. The woman had a leak in the

Page 537 1 ceiling, so I had to go into the attic to determine 2 what the source of the leakage was. 3 Q. Was this in addition to the other three 4 homeowners that asked you to come in and look at 5 interior conditions, or was this included in the 6 three you mentioned earlier? 7 A. Oh, no, no. This actually was another 8 one. 9 Q. Okay. 10 A. Sorry. 11 Q. So you went -- so four. If you count 12 this one, then you went in four homes to make some 13 level of inspection. 14 A. Yes. 15 Q. And were you able to determine what was 16 causing the leak in her ceiling? 17 A. After looking at the shingles from the 18 exterior, I could see that it was a framing nail 19 that had worked itself up through the shingles such 20 that water was able to penetrate the shingles and 21 follow the nail actually through the roof sheathing 22 and then leak water into the ceiling. 23 Q. Okay. I think I remember reading that 24 in one of your earlier depositions. So let me ask 25 about that. That observation of the nail, a	Page 539 1 A. No. I guess the only structural 2 issues, which I guess is on the periphery, but 3 there were some sloped roofs, some shed roofs over 4 porches that I found to be problematic with respect 5 to slope. In other words, the slope wasn't 6 adequate for the shingle applications. And that 7 was in just a couple of locations. 8 Q. Let me kind of drill down a little bit 9 on that. You said that the slope was inadequate 10 for the shingle application. So was it a problem 11 of the wrong selection for a roofing material, or 12 was it the construction of the slope that was a 13 problem? 14 A. Well, it was either less than 2 in 12 15 or -- which didn't allow for shingle installation, 16 or it was between 2 in 12 and 4 in 12 which 17 required a double layer of underlayment. Now that 18 configuration structurally was problematic for the 19 roofing. 20 Q. Okay. 21 A. I don't know what was specified in the 22 plans. 23 Q. I was just getting ready to ask that. 24 You've not seen the plans; correct? 25 A. I have not.
Page 538 1 framing nail punching through the roof and through 2 a shingle, was that an isolated incident, or was 3 that something that you observed in multiple 4 locations? 5 A. No. That was isolated. 6 Q. Did you make any interior observations 7 in any of these units about any framing issues 8 other than the nail we just discussed? 9 A. Not that I recall with regard to 10 framing issues. 11 Q. Okay. So am I correct that you have -- 12 you've made no observations about the installation 13 of any -- of the wood framing such as the roof 14 trusses, the floors, the walls, the doors on the 15 units; is that correct? 16 A. That's correct. 17 Q. And, therefore, you have no opinions 18 about any of those areas? 19 A. I do not, to the best of my 20 recollection. 21 Q. Okay. When I've reviewed your reports 22 in your prior testimony it doesn't look like you -- 23 you've not identified any structural issues related 24 to the original framing of these buildings, have 25 you?	Page 540 1 Q. All right. So you don't know if the 2 framer built that, this particular roof you're 3 criticizing, according to the plans or not. 4 A. That's correct. 5 Q. And how many locations did you make 6 that observation? 7 A. I recall at least two, but I'd have to 8 go back and look at my notes to see if there was 9 any more than that. 10 Q. Did it appear to you that that was a 11 repetitive condition throughout the development, or 12 was that isolated incidents on these two units? 13 A. Isolated. 14 Q. Okay. Any other structural framing 15 issues that you recall? 16 A. No. 17 Q. Do you have any opinions about any 18 other framing issues on this project other than the 19 window installation criticism that you've testified 20 about previously? 21 A. No. 22 Q. Okay. And, Bob, I'm going to probably 23 generalize a little bit, but as I understand it, 24 your issue with the window installation is related 25 to the integration of the house wrap and the sticky

Page 541 1 flashing that was around the windows; is that 2 correct? 3 A. Yes. 4 Q. And did you remove any windows as part 5 of your inspections? 6 A. No. 7 Q. All right. So all your observations 8 were made by peeling back some of the vinyl siding, 9 I take it, and looking around the windows. 10 A. Yes. 11 Q. All right. So I understand from what 12 I've read that this project has 80 buildings and 13 160 units. Is that your recollection? 14 A. Yes. 15 Q. And I think I read that you have 16 investigated 40 buildings and 64 units. Was that 17 right, or am I off on those numbers? 18 A. I think on my list when I went back and 19 accommodated July observations, July '19 20 observations, I think it came to 43 buildings and 21 70 units. 22 Q. 70. Okay. All right. I want to ask 23 you -- like we talked about off the record, I was 24 going to ask you about what we marked -- or what 25 was marked in one of your earlier depositions as	Page 543 1 window and at least for inventory purposes left it 2 at that so I could at least identify that a window 3 was opened and there was observations and 4 documentation made of the flashing. 5 Q. Okay. Well, what I'm trying to figure 6 out, Bob, is there any way for me to be able to 7 tell how many windows you looked at? And from what 8 I had read in your prior deposition I thought I 9 understood that this sheet -- everywhere it said 10 WNDO obviously meant that was a place where you did 11 destructive testing and found damage. But if you 12 didn't have WNDO noted, you didn't look at the 13 windows on that building. 14 A. Correct. If there was no WNDO 15 notation, then an intrusive observation of a window 16 wasn't made. 17 Q. Okay. 18 A. I mean, I did keep track of where I 19 looked at windows whether there was damage or not. 20 Q. All right. So in looking at this, what 21 we previously marked as Exhibit 17, your 22 handwritten notes with the list of units and the 23 codes that you wrote beside them, when I went 24 through and tried to count up how many notations 25 there were for WNDO I came up with 24 units. And
Page 542 1 Exhibit 17, and it was the list of -- your 2 handwritten list of the units and then beside each 3 address number you have some abbreviations, like 4 WNDO, BRK, RFG. Do you know which document I'm 5 referring to? 6 A. Yes. 7 Q. All right. I had a little bit of 8 difficulty deciphering from what I was reading, but 9 I wanted to make sure I understood what those 10 abbreviations stand for. So I take it WNDO is 11 window; is that right? 12 A. Yes. 13 Q. Now where you have the abbreviation 14 WNDO beside one of the unit numbers, is that where 15 you made an observation of a problem, or is that a 16 unit that you did an inspection? 17 A. Well, at the notation of it I have WNDO 18 equals a destructive test and damage. If I listed 19 a WNDO notation, that meant that was an intrusive 20 observation around a window and there was damage. 21 Q. If you had done an intrusive 22 observation but found no damage, what would you 23 have noted on this page? Anything? 24 A. I don't know that I recall finding that 25 situation, but I think I would have annotated	Page 544 1 in two locations you wrote two WNDO, which I assume 2 means two windows on that unit. So that would be 3 26 windows altogether; is that correct? 4 A. I haven't done that particular 5 iteration to identify how many -- to inventory how 6 many window notations I had. Short of me doing it 7 right now, I would have to take your word for it. 8 Q. Okay. Well, I'm happy to take a minute 9 and let you count them up if you want to. If 10 you're confident that I know how to count we can 11 keep going. It's up to you. 12 A. I'm confident that you know how to 13 count. 14 Q. Bob, do you know how many windows there 15 are on each unit? 16 A. Off the top of my head, I don't recall. 17 I'd have to look at the photos, beginning photos in 18 my report and just count them. Because there's two 19 stories, typically, for each building with some 20 exceptions, but I simply would have to look at the 21 pictures and count them. 22 Q. Okay. Well, what I wanted to get at 23 was there's -- without you going back and looking 24 at your photographs and counting all the windows, 25 as we sit here today, you don't know how many total
