

My reasoning for my appeal. The lawyer lied to me by telling me I'd have a negotiated plea. AS MR. HAMMES ^{KNOW} I WAS ONE OF MY STIPULATIONS. He also didn't tell me what court date I'd be going to court. Another stipulation was to get the 3rd degree burglaries dismissed which he did and told me that was part of my plea. Before we entered court he was asking me about home detention in which I replied I have no sparetime address. Then he went to probation which I asked which one I was to expect. He assured me oh just probation as well as time served. He told me Cole was a very fair and saneable Judge. So that's my false reality for my plea. That Mr. Hammes informed me not to take. IN my defence I thought I was pleading to an neg. plea with two charges dismissed. I also haven't had these charges IN 9 years so thought I'd never get time like this for what I had. Then once I asked the lawyer if I'd just received 17 years total really he was a smart alick and asked me if I wanted to ask him. He took me to court to knock my head off and lie to me and coerce me INTO pleading under false pretences. (Ineffective Lawyer!)
