I Sana Walker and others are currently false imprisoned and held hostage in Lancaster Hospital which SCDC created a illegal mental facility for inmates as a living mental facility to embezzle money from the government we are currently held here when we suppose to be at Camille they are calling this a "mental facility" saying we are incompetent when most people signed a plea to come here this is illegal we need help you have a legal obligation to uphold our constitutional rights and to protect us all of us are being subjected to double jeopardy and held hostage at this facility people are begging to go back to prison and we are being starved and im here on falsified sentencing sheet my family begged for me to be sent to probate ~~prison~~ while in court then wouldn't now im held

Hostage in this ~~mental~~^{illegal} mental Facility this is illegal this is a RICO organized crime and they are holding probate Hearings illegally this is intentionally being done money is the motive because they are lying in these Fake Probate hearings which I attended on 11/7 and 11/14 telescreen for Richland County Probate Court A judge named Nia is helping to embezzle money I explained to everyone this is a violation of their Oaths and Bonds and they continued to Act they know this double jeopardy I asked to transfer this criminal case to Probate they said NO! this is how I know it's illegal and double jeopardy and violation of my rights & everyone else
