Dear Mrs. Harrison,

Tuesday 17 DEC 2024

Re: Appellate Case No. 2023-001846

I've been transferred 2 times since October, so I never received the service spoken of in the letter dated 'November 22, 2024' that I recently received from your. Besides appellate attorney Mr. David Alexander's introduction letter months ago, I haven't received any information, communication, brief, etc. regarding my appeal case. Am I officially 'pro se' at this point. I'd like to request the 'copy of the brief and record on appeal' be sent to my current address and a time extension on the 45 days, please.

Address:
