Hi Tammie,

Thank you. I wanted you to know what kind of a mess I received when I got the first transcript. I worked 14 hours trying to read and figure out what it said. I hope you will use this information to not subject anyone else to this miserable situation. If you have read the second attempt, you will see there is a lot that doesn't make sense.

Everytime I requested this transcript, I asked that you assign it to an official SC Couret Reporter. You assigned it to a service that is unable to produce an official transcript, as you can see by the first attempt.

I am asking you, again, to please assign this to Ms. Dahl. She produced a webex transcript for me for another webex hearing, and it was well done. If you assign it to Ms. Dahl, it will document that the service you assigned it to was defective. Or, it will procve that the webex recording was defective. In either event, it is my right to have an official SC Court Reporter produce the transcript.

I appreciate your help on this.

Good afternoon Ms. Honeycutt.

The original transcript from the hearing held on July 24, 2024 has already been produced, therefore we cannot send this to Ms. Dahl to transcribe. We cannot have two original transcripts produced of the same hearing on record. Also, the transcript that you sent to me in a packet received on December 13, 2024, is not the revised transcript that you should have received after Legal Eagle reviewed your questions regarding the original transcript. I have attached the revised transcript to this email for your information.

Please let me know if you have any other questions.

Respectfully,

Tammie M. Holmes

Hi Ms. Honeycutt!

I do remember you and vaguely the case. Great to hear from you again!

Court Admin is in charge of all the Webex', so I have no way of getting the Webex audio. Perhaps you can see if you can request me to transcribe it . I have had to turn some of these down as the audio is terrible and I don't feel comfortable to have a transcript riddled with "inaudibles.," but I would be more than happy to look at it for you if you can get Court Admin to assign it to me

Have a great and Merry Christmas!

Sincerely,

Natalie Dahl, RPR

HI NATALIE,

HOPE YOU ARE DOING WELL.

On July 25, 2024, I sent the request for a transcript to you. (This is a second transcript for a second Webex hearing.)

You wrote the email below. You stated that you rarely do Webex hearing transcriptions. You made an exception and produced the Webex Hearing Transcript of February 21, 2024, for me. (The first Webex hearing.)

You did a beautiful job.

Following your email, as you suggested, I contacted Court Administration to have the second Webex transcript assigned through their services.

I encountered the problems described below, and I wrote additional letters to court administration asking for an official court reporter. As of today, I have gotten no help and no assignment to an official court reporter.

Court Administration assigned the second transcript to an online service called LegalEagles. The person who "transcribed" it seemed to have English as a foreign language and had no knowledge of terms used by the court. After repeated attempts to have the transcript they sent me produced into a complete and accurate official copy by them, I just got emails referring to linear corrections.

So, I still need an official transcript of the hearing cited below.

THE HEARING WAS IN Horry COUNTY. IT TOOK PLACE AT THE COURT HOUSE IN Conway, SC, EVEN THOUGH IT WAS A "WEBEX" FORMAT.

CASE NUMBER: 2020-CP-260-5267

25th Avenue LLC v. Carol Ann Honeycutt

IT WAS A WEBEX HEARING BEFORE JUDGE HYMAN:

JULY 24, 2024 on the 1:30 p.m. docket, and heard at approximately 2:30 p.m.

2 MOTIONS WERE HEARD:

Motion to relieve counsel

Motion to Compel.

The Plaintiff has no attorney and is not active in the case.

(Originally, this Webex hearing was on the July 22, 2024, docket, but because of computer problems, it was moved to July 24.)

PLEASE LET ME KNOW IF YOU NEED ANY ADDITIONAL INFORMATION.

LET ME KNOW WHAT YOU NEED ME TO DO.

THANK YOU,

CAROL

Good afternoon, Ms. Honeycutt,

Webex' are just recorded by Court Administration. I am a real court reporter, so I don't do them except on a rare occasion. You will have to go through Court Administration and they'll send it out to someone who transcribes audios.

Sorry I couldn't be more help!
