v.

Bankhead, Florence Bankhead, Sandra McKinney
Spears, Sharon McKinney Threadcraft, Kevin
McKinney, and Kimberly McKinney McElhaney,
Respondents.

Appellate Case No. 2022-001591

ORDER

On October 15, 2024, we dismissed this appeal because Appellants failed to serve and file a corrected initial brief, proof of service for their initial brief, and proof of service for the designation of matter. On October 30, 2024, this court received a "motion for rehearing" of this court's order of dismissal. We take no action on this filing because it is not signed. *See* Rule 267(b), SCACR (explaining "[a] document filed with the appellate court shall be signed by the lawyer or the self-represented litigant filing the document" and this "signature shall act as a certificate that the person has read the document; [and] that to the best of the person's knowledge, information, and belief there is good ground to support it").
