Original Criminal Case Appellate No. 2024- (2)
Fake Probate Case No. unknown 001268

Dear South Carolina Court of Appeals,
Appealing A Probate Hearing Held
Thursday 7th, 2024 via tele screen
at Lancaster Hospital it was
"continued" to Thursday 14th, 2024
Some people at SCDC public
Officials have violated their oaths
and created a unlawful Hearing
for probate subjecting inmates to
Double Jeopardy this has been ongoing
for a year According to staff
they are embezzling money from
the State of SC by getting paid
twice for one inmate For 12 days
at Marsha Pickens Greenville the
Hospital Billed me 15,000 on mychart
So for the 9 people here its estimated
145,000 dollars for 12 days plus
meds and other treatment that these
people involved are pocketing /embezzling
from the government under RICO and
they have kidnapped us from prison
and are false imprisoning, unwarranted
Confinement and Double Jeopardy

Judge and (New) Counsel

Asked that my counsel be replaced due to ineffective on Nov 7th 2024)

* And I do not have a copy of the sentencing sheet in my possession only glanced at once I got to Camille & never signed one

Columbia SC 29210
X-DATUM WAY

My case is different from other inmates because I was sent here on a falsified document and I'm Prose and I'm in receiving and evaluation Not on the yard SCDC cannot process a fraudulent document this judge acted outside his jurisdiction and he is a Chief Judge and a conflict of interest so I asked for a successor judge to replace him ~~to replace~~ SC Court of Appeal had jurisdiction from Aug 1st - Oct 29th I was/am sent here Sept 26th and I was pick up Aug 19th and he continued the trial and falsified the sentencing sheet while I was incompetent and trying to commit suicide Aug 19th - Sept 26th and denied a probate lawyer and medical care This is cruel and unusual punishment I was subjected to by this solicitor & Judge who are a conflict of interest between the dates of Aug 19 - Sep 26 which was outside of their jurisdiction

* I have substantial evidence to support my claims as prose
I would like you to state in your order for people that are
Not Attorney's / Judges its illegal and violation of my rights
this is Abuse of Power and violation of the Judge and
Solicitor oaths and bonds to me as a citizen

I Do Not want their misunderstanding
of the law/legal process of me being
Prose to have me Admitted on False
Allegations of them not understanding
my rights are currently being violated in
this case

I would like you to clarify that I
am Not Delusional for My Psychologist
and therapist and Drs that dont
Comprehend the legal side of things
I have substantial evidence for
All my claims of this Judge and
Solicitor and they have a Rule 19
investigation opened up on June 12, 2024
which they are both aware of and
acted outside their Jurisdiction as
retaliation I would like this explained
to them and I was trying to seek
Mental Health treatment for psychosis
which I was denied Aug 19 - Sep 26
I am Fully compliant with my mental
Health and attend regular sessions
On the outside ~~and I was~~ SW
Mrs. B York is Not my Psychologist
I been seeing Morris & Howard ~~and~~ SW
~~and I was~~ SW
Both have been really helpful
and a listening ear

I am currently Not in psychosis this Judge and solicitor has violated my rights intentionally with malice 3
*Psychologist think im in psychosis due to this legal situation

I was telling them I am Held Hostage and False imprisoned which is true from a legal Prespective because the document is fraudulent and distict Court didnt have Jurisdiction between Aug 19 - Sep 26 to send me to prision and when you take someone outside of your Jurisdiction without the Authority of the law it is kidnapping I have Not had Due Process in this Case due to the MISCONDUCT OF this Solicitor and Judge Acting with malice Intent This is violaton Of the Constution "No State shall violate Due Process" "And deprive a person of life, liberty and Property without the Authority of the law" This Judge and Solictor Falsified this sheet and Acted outside their Jurisdiction Can you Clarify this in your order for my pyschologist ~~that~~^{sw} that don't comprehend the legal side and thinking im delusional

* For SCDC to Hold me on Fraudulent documents is illegal and unlawful (9)

this case is Not within legal standing and is a violation of my Constitutional Rights as a citizen and treason against the Constitution * its like cashing a check you know its Fraudulent (illegal) A

They do Not Comprehend the law in this situation because they are NOT lawyers or judges So I would like you to Clarify for Mrs. BYork and Ester and Dr. chillings ^{Sw} the legal side so they dont think im delusional About my due process being violated and The Judge Acting outside his Jurisdiction on ~~Aug~~ ^{Sw} Sep 26 I Do have mental Health issues Yes But in this particular situation is Not Delusion and I have Substantial evidence of this Intentional misconduct I am mentally Stable and taking my recommended Hospital and in compliance with my medication But me & my Family requested me to be sent to Probate Court in between Aug 19 - Sept 26 Due to my mental state and They held the trial outside of Jurisdiction in my absence and Falsified documents to send me to Comille

* Legally the case is in the middle of trial since the Judge Acted outside his jurisdiction this is violation of Due Process and the case now only has grounds for dismissal due to them falsifying the sentencing sheet which I didn't sign as a prose defendant which is why its fraudulent

• If I'm processed to the yard that is Aiding and Abetting Accessory after the fact to the crimes comitted Against me and SCDC would be acting as a co-conspirer

I am still in the middle of trial the Judge Acted outside OF Jurisdiction with malice intent which is why Im in prision he falsified the Sentencing Sheet I didn't sign So unless yall abousolutly discharge the case to probate this is Double Jepordy because my Criminal case is still pending and Im trying to get released ~~and~~^{sw} Due to the Judge and Soliciter violating my due process and falsifying documents The sentence was concealed when I Appealed case and Jenny Abbott Kitchings Also falsified a order to help them my case is different due to my Due Process is violated the Judge & solicitor committed Perjury and Sent me here on Falsified documents This is violation of my constutational Rights

* my Family can attest and witnessed it all
