Re: Perry v. American International Industries  
Appellate Case No. 2024-001550

Dear Ms. Kitchings:

On October 1, 2024, the Court granted American International Industries' motion to hold this appeal in abeyance pending resolution of the post-trial motions and directed me to provide a status update every thirty days. I previously provided status updates on October 31 and November 27. The trial court ruled on the post-trial motions on December 11, 2024. A-I-I filed its amended notice of appeal from that order today. Counsel has already received the transcripts of the lower court proceedings. According to my calculation, the initial brief of appellant and designation of matter to be included in the record on appeal are due on January 27, 2025.

Sincerely,

Adam Sinclair Ruffin
