Re: The State v. Emeric Hamilton Appellate Case No. 2023-001884

Dear Ms. Kitchings:

An evidentiary hearing was held on December 17, 2024, at which time the problems with the existing transcript were considerably narrowed. The limited problems remaining are being examined with the hopes that the taped transcript can now be reviewed by the Court Reporter and corrections made that address the remaining issues. Once that is completed, Judge Jennifer McCoy will issue an order outlining the corrections that have been made as well as any problems that may persist with the transcript.

Respectfully,
