Appellate Case No.2023-001837

Dear: Ms. Harrison and Ms. Ellore A Gains & Most Importantly who ever is in Charge of Hanahan Police Department if they Decide to Settle & not Listen To greedy Hood Law Firm
This Formal letter will be used in my motion for an amended Final brief because I respect the court rules and appreciate my case worker notifying me of all my rights, I will gladly pay \$50 dollars I'm not greedy like the respondents Attorneys Hood Law Firm the Respondents do not want the court to understand my articulated Brake Down of this Entire Case in front (a Non-Bias Impartial Peers Jury!)

They are relying on Nepotisms & dilatory tactics please don't be confused by their Red Herring fallacy

ADA Title II: State and Local Government Activities

Title II covers all activities of State and local governments regardless of the government entity's size or receipt of Federal funding. Title II requires that State and local governments give people with disabilities an equal opportunity to benefit from all of their programs, services, and activities (e.g. public education, employment, transportation, recreation, health care, social services, courts, voting, and town meetings).

State and local governments are required to follow specific architectural standards in the new construction and alteration of their buildings. They also must relocate programs or otherwise provide access in inaccessible older buildings, and communicate effectively with people who have hearing, vision, or speech disabilities. Public entities are not required to take actions that would result in undue financial and administrative burdens. They are required to make reasonable modifications to policies, practices, and procedures where necessary to avoid discrimination, unless they can demonstrate that doing so would fundamentally alter the nature of the service, program, or activity being provided.

Complaints of title II violations may be filed with the Department of Justice within 180 days of the date of discrimination. In certain situations, cases may be referred to a mediation program sponsored by the Department. The Department may bring a lawsuit where it has investigated a matter and has been unable to resolve violations. For more information, contact:

Title II may also be enforced through private lawsuits in Federal court. It is not necessary to file a complaint with the Department of Justice (DOJ) or any other Federal agency, or to receive a "right-to-sue" letter, before going to court.

My Next Step is The Supreme Court To file a case with the U.S. Supreme Court, you can:

- **Petition for a writ of certiorari**

This is the primary way to ask the Supreme Court to hear a case. You must file this petition within 90 days of the final judgment in the highest state appellate court or the U.S. court of appeals.

- **Pay the docket fee**

Undoubtedly Hanahan Police Department Forgets The Power Of The Truth They May feel Black Men are More Valuable in Jail in Monetary Value But The Truth is Something the Supreme Court Would Understand Leaving a Child to be abused & Murdered By her Abusive Mother then Arresting the only creditable witness because he is Mentally Disabled & Black is Not What America is About The South Has Always been the Last to accept Black Americans Civil Rights But it is Getting Worse They are Attacking Our Kids & Mentally Disabled Black Men they are Unjustly Robbing our people of our Civil Rights & the Courts find us more Valuable in Jail or Paying attorney fees & bail North Charleston Police Department the First to do right by the people falsely arrested in 2024 because of the Mayor **Reggie" Burgess** was elected as **Mayor** of the City of North Charleston in 2024, serving as the chief elected and administrative I Urge
