Good Morning-

Could you explain to me again how I am able to turn the Initial Brief in on Monday, the 6th, instead of Friday, the 3rd?

When would the Brief need to be in the mail by and/or you said the entire Brief could be emailed on the 6th?

Could I hand deliver the Initial Brief to the Court of Appeals and all Attorney of Record on the 6th?

I just want to make sure I do not make a mistake with the filing deadline.
