**Supreme Court Case No.**

Dear Chief Justice Kittredge,

I am writing to you regarding the above referenced case to request that a decision is made as quickly as possible. This case has been open since September 19, 2022. While I understand that you have other cases that may have been waiting just as long as mine or maybe even longer, there are extenuating circumstances surrounding this case that have prolonged a decision being made. Fraud, corrupt judges, not being allowed due process and being caused a great deal of physical, mental and emotional harm to prevent me from pursuing justice in this case. That my father's estate be awarded to his 2 legitimate daughter's/heirs Janet Palmer-Carri and Renee Palmer. Please review all the information pertaining to this case to get a better understanding of the situation described above. I am a disabled USAF Veteran who has been taken advantage of along with my deceased father who had dementia.

Further delay in this case would only add to the injustice already incurred.

I pray, after reviewing the case information you find it in your heart to grant my request and render your decision ASAP. I will be relocating to another state in the next 2 weeks and it would be nice to have closure in this case before I leave. I will give the court my forwarding address before I depart.

Thank you for your consideration.

Sincerely,

  
Ms. Janet Palmer-Carri
