Dear MR. Honorable Shearouse.

Re: Warren Russell case NO: 2012-213313

I have received the appendix from my former Appellant Counsel MS. L. Durant, and she no longer is my counsel. She accepted my motion to be relieved and forwarded all my documents necessary for me to proceed pro-se. In between this time I have wrote to you and I have not received any response from this office, so as of this date I have no ideal if this court has accepted my motion, or if there is a time limitation on my filing. My ex counsel did inform me that she filed an extension, and I requested that nothing else is filed on my behalf from MS. L. Durant. So at this point I am on hold until your office respond. Your respond is necessary to inform me of any time limitations or filing deadlines.

Nevertheless, when your office respond and inform me of acceptance of my pro-se status or date for a hearing on relieving counsel, I stand by waiting to file my brief when you say so.

Please respond ASAP as of this date I am pro-se, and need to know my filing dead line.

Sincerely  
Warren Russell
