Re: Portundo M. Kimble v. Jays Bar and Grill, LLC
Appellate Case No. 2024-002074

Dear Counsel:

The Court received your email inquiring about the briefing schedule in this cross-appeal. Both appellants must file an appellant's initial brief to prevent dismissal of your respective appeals, so we expect an appellant's initial brief from the Appellant/Respondent, as well as an appellant's initial brief from the Respondent/Appellant. You will also have an opportunity to file an initial respondent's brief in response to the Appellant/Respondent's initial appellant's

brief.

At this time, our records reflect the transcript is being prepared. We anticipate the transcript will be delivered on or around February 7, 2025. Once the transcript is received, each party will have thirty (30) days to complete the appellant's initial brief and designation of matter. Please feel free to contact our office if you have any further questions of concerns.

Very truly yours,
