I just looked at that whole week of notes and do not see anything about your case. When I get to my computer shortly, I will look at your case records again and see what I can find about your appeal.

That case number you give here does not look like a circuit number. It would start with 2024-CP-14- and then a number. Do you see a case number like that?

According to my notes, I was on lunch break from 11:00 am until 1:39 pm. Was it on WebEx online?

If it was, you need to contact Court Administration for a transcript. I do not have that. It was taken down electronically and would need to be given to a court reporter to produce. This link has the form and email address.

Hi, no ma'am it was circuit court in Manning SC, on Sept 19th in front of Judge Ferrell Cothran. It was another judge that was there also. But Judge Cothran took the bench for an appeal hearing that took place at 1:00 pm.

Good afternoon,

I do not see anything in my records for that. We were doing criminal court that day.

I looked in public records to see if I could find your case. From what I see, it may have been in magistrate's court. Was it in magistrate's court? I was not in magistrate's court. I do not think they have court reporters. You might need to contact them.

Good morning, Ms. Smith. My name is Mayshell Wilson, and on Sept 19, 2024, you were the court report during an appeal hearing for Mayshell Wilson vs Willie Mae Reed and I am requesting a copy of the transcript from that day. Can you please tell me how much and where can I send you the money to. I went to the Clarendon county courthouse and they have no record of this hearing. I need it to send to the court of Appeals in Columbia SC, within the next few days. My number is 803 696 2617, Judge Ferrell Cothran was the presiding judge for the hearing. The case # is 2024-001284. I will greatly appreciate it.

Thank you in advance
Mayshell Wilson
