RE: Carr Farms, Inc. and Titan Farms, LLC v. Susannah Smith  
Watson, et al.; Appellate Case No. 2024-000836

Dear Clerk Howard,

This firm represents Appellants in the above-reference matter. Certiorari was granted on December 10, 2024. There was some uncertainty with the issues in which certiorari was granted, with this uncertainty being resolved on December 30, 2024. With this uncertainty, as well as the Holidays arising during the initial 30 days, the undersigned would respectfully request an extension of 20 days from the original deadline of January 9, 2025, such that the Brief of Appellant and Appendix would be due on or before January 29, 2025. Prior to making this request, the undersigned has attempted to determine if opposing counsel has any objection to this request but has not received a response as of this filing and has been advised that he is in Court all week.

Very truly yours,

s/ Jonathan M. Milling
