George Jenkins versus Florence Davis
case number 2024 – 001929

To: South Carolina Court of Appeal
1220 Senate St.
Columbia, SC 29201

Dear Mrs. Jenny Kitchings

I sent you a notification that I had filed for and received the transcript from the court. I also informed the attorney for Florence Heyward Davis that I had received the transcript. However, after receiving it and reviewing the transcript. There were mistakes made in the transcript. I called the company that transcribed the transcript and informed them that there were some errors in the transcript.

I spoke to Mr. Kevin Dehlinger the director of operation for legal eagle. The transcript was incomplete that I received because they did not have one of the tapes to transcribe. This is being done today. January 2, 2025. I was told that the new transcript would be emailed to me today. I will inform the court as soon as I get the new transcript

Because of this era. I am axing that you will extend the time that you require to have the transcript and to void the transcript that I sent registered mail to you that transcript is not complete

Please note in the records of the court that this era was not caused by me, the error that was made by the transcribers and as soon as I saw it. I contacted them.

Thank you in advance.

George S. Jenkins, pro se
