Subject: Verification on Court Reporting**

This Is Antwain Littlejohn and reference to my phone conversation with Ms. Holmes Jan 02, 2025 I was requesting verification from South Carolina Court of Administration for Court Reporter Elizabeth Holt at Creel Court Reporting for the August 26, 2024 Appeal hearing transcript. Prior to this email on Dec 23, 2024 I left a message for your office to search your system for verification on the transcript from Creel Court Reporting and verification for Court Reporter Elizabeth Holt and was provided with the verification that you didn't see anything about the transcript or court reporter in your system and that court reporter would be a private hired court reporter by the SC Wcc and would not be in the SC Court of Admin since the court reporter wasn't hired through the SC Courts of Admin and today I was asking for a final verification as of today Jan 09, 2025.
