On Dec. 13, 2024, the court-appointed receiver for third-party plaintiff/respondent Cape PLC filed an emergency motion for supersedeas and temporary restraining order in the above-named case. We would like to find out what documents were filed along with that motion, and how we would obtain them. If that isn't possible, would we be able to obtain a current docket listing for this case? Thank you for your help in this matter!
