SC Court of Appeals

MOTION TO STAY

1-14-2025

,
Good afternoon,

I hope this message find you well. I am asking the court to grant my motion of stay due too a few reasons and I would experience extreme hardship if not. My reasons are my landlord is still receiving money from me through this whole process, I paid 6 months in advance through a DV shelter called the hopeful horizons.

I recently got cut from my job due to my son being sick & me being the only person that's taking care of him and also providing for him. I am being retaliated on because I exercised my tenant rights and now I've caused this big mistake. I will not have anywhere to go with a 3 year old one minute my landlord is willing to work with me next minute he wants me out.

My eviction was wrongfully filed by my landlord. When I initially received my eviction, I did not owe anything or broke any lease terms it was not till after they refused to take anything so of course I got behind. I have offered money multiple times and I have not heard anything. I am afraid I would be homeless with my son.

I look forward to hearing back from you and thank you so much for your time.

Sincerely,

Sandeyah Clark
