Re: The State v. Lavon B. Julius  
Appellate Case No. 2023-001994

Dear Ms. Kitchings:

On December 30, 2024 undersigned counsel filed a motion for a thirty-day extension to file the initial brief of appellant and designation of matter in the above-referenced case out-of-time due to a calendaring error. I have not received an order to date granting that thirty-day extension request. Consequently, out of an abundance of caution, I am respectfully requesting a second thirty (30) day extension of this deadline until February 12, 2025

On December 31, 2024, opposing counsel, the Attorney General's office, graciously consented to this extension request by way of general consent granted in writing, by Deputy Attorney General Donald J. Zelenka for all Appellate Defense extensions through January 31, 2025.

Thank you for your cooperation and assistance in this matter.

Sincerely,
