Re: Dorothy Pierce v. Jared Pierce
Appellate Case No. 2024-000455

Dear Ms. Pierce:

This Court issued an order on October 25, 2024 remanding this matter to the circuit court to determine whether appellant should be enjoined from wasting the estate or taking any action as PR beyond what is necessary to preserve the estate. On December 12, 2024, this Court issued a letter of clarification indicating that this appeal will be held in abeyance pending the circuit court's determination as well as advising appellant to provide a status update every thirty (30) days or this appeal will be dismissed.

As of today's date, we have not received a status update of the circuit court's determination. Within ten (10) days from the date of this letter, you must provide a status update. Failure to provide the status update within ten (10) days from the date of this letter will result in the dismissal of this appeal.

Very truly yours,

CLERK
