Dear Patricia Howard

12/26/24

Hey how are you doing I am writing to
the court to ask for more than the 45
days to ~~resp~~ response to the letter I got
dated 11/21/24 to respond with a prose response
obtaining to Appellate case no. 2024-000554 Do
to the fact that I am not allowed to come out
and go to the law library to prepare for this issue
Do to it being the holidays and staff taking off
so they ~~are~~ say they are short of staff or they
like to say security issue Do to the matter at
~~hand~~ hand I would like a 90 day Dead line from
the date on my letter which is 11/21/24 It will
help me have a fair ~~chance~~ chance to work
on my pro se response working around scdc
and the issues they have for obtaining staff to
work so I am able to come out to go to the
Law Library

Thanks In Advance
