The Honorable Jenny Abbot Kitchings

Clerk of Court

SC Court of Appeals
1220 Senate Street
Columbia, SC 29201

Dear Ms. Kitchings,

I am writing to respectfully inquire about my case being Held in Abeyance. There was a misunderstanding based on information I received from one of the Clerk of Court's Office employees, and I would like to provide an explanation.

The week before Thanksgiving, I visited the Clerk of the Court's office to inquire about information pertaining to my case.

During that visit, I spoke with Shelby.

Since I was scheduled to submit my paperwork by November 26th, 2024, she informed me that the Clerk's Office would be closed for Thanksgiving week and assured me that I could submit my paperwork by December 3, 2024.

Relying on this information, I planned my submission accordingly.

After receiving the Respondent's motion to dismiss for failure to file on time, I returned to the Clerk's Office to clarify the situation. I spoke with Shelby again, and she confirmed that she had documented our prior conversation and the advice she provided. She mentioned that the court would take her notes into consideration.

Shelby also mentioned that I could file a motion in that matter, but it is optional!

I sincerely regret any inconvenience caused by this misunderstanding. I relied on the information provided by a court employee in good faith and acted to the best of my ability based on that guidance. I respectfully ask the court to reinstate my case, considering the circumstances.

Thank you for your understanding and for taking the time to review my request. Please let me know if you require any additional information or documentation. I am committed to ensuring that all further filings are completed in a timely and proper manner.

Sincerely,

Abdel
